FOR IMMEDIATE RELEASE

JOE FRAZIER RECEIVES ALLTRICITY NETWORK'S 2026 DISTINGUISHED LEADERSHIP AWARD

ENGLEWOOD, Colorado — Joe Frazier, Director of Generation Major Projects at Salt River Project (SRP), received the 2026 Distinguished Leadership Award from Alltricity Network at its 2026 Fall Convention, held October 5-7 in San Antonio, TX.

The Distinguished Leadership Award is Alltricity Network's highest honor. This award recognizes an individual that has demonstrated significant contributions to the electric energy industry, their respective organization, and an advocate for the Alltricity Network Mission.

With over 30 years in the electric utility industry, Joe has built a distinguished career leading major energy projects, advancing innovation, and delivering critical generation capacity. At SRP, he's navigated complex initiatives, including the decommissioning of the Navajo Generating Station and major generation and energy storage projects. Joe has also championed workforce advancement through the Alltricity Scholarship Foundation Board, serving since 2018 and as President since 2023. Under his leadership, the Foundation has expanded fundraising, awarding hundreds of scholarships and distributing hundreds of thousands of dollars to support future utility professionals. Through his professional achievements and commitment to nurturing industry talent, Joe has made a lasting impact on the electric utility industry which will continue for years to come.

Congratulations to Joe and to all the 2026 Alltricity Network Leadership Award Winners. Thank you for your dedication to the electric utility industry:
