FOR IMMEDIATE RELEASE

AMY HACKLER RECEIVES ALLTRICITY NETWORK'S 2025 INDUSTRY LEADERSHIP AWARD

ENGLEWOOD, Colorado — Amy Hackler, Vice President of Business Development at MasTec Industrial, received the 2025 Industry Leadership Award from the Alltricity Network at its 2025 Fall Convention, held September 29-October 1 in Kansas City, MO.

The Alltricity Network Industry Leadership Award recognizes individuals with over 10 years of experience whose leadership has impacted their organization and the electric utility industry, alongside active involvement in industry affiliations, associations, and organizations.

Amy has dedicated nearly three decades to the power sector, bringing expertise spanning coal and combined cycle to solar, wind, battery energy storage, hydrogen and Power-to-X technologies. She has consistently demonstrated exceptional leadership by guiding stakeholders with clarity, integrity, and vision with her extraordinary ability to unite diverse groups toward common goals. A tireless advocate for the industry and a generous contributor to its future, Amy also serves as Chair of Fundraising for the Alltricity Scholarship Foundation Board of Directors.

Congratulations to Amy and to all five 2025 Alltricity Network Award Winners. Thank you for your dedication to the electric utility industry:

Industry Leadership Award Recipients

- » Chris Cohick, Engineering Design & GIS Manager, Delta-Montrose Electric Association
- » Diane Fischer, Director of Generation Services, Kiewit
- » Amy Hackler, Vice President of Business Development, MasTec Industrial

Honorary Life Member Award Recipients

- » Rick Hillis, Retired—Vice President of Transmission System Support, Tri-State Generation & Transmission Association, Inc.
- » Tony Montoya, Retired—Executive Vice President & Chief Operating Officer, Western Area Power Administration

The 2026 nomination period will open in early-Spring 2026. For details and submission guidelines for each award, visit AlltricityNetwork.org/Awards.

About Alltricity Network (formerly known as RMEL):

Alltricity Network is a not-for-profit trade association that has served the electric utility industry since 1903. United through education, networking, and training, our community—and our impact—is stronger. Alltricity Network's mission is: **Preparing the electric utility industry for the future through education and networking**. For more information, visit our website: AlltricityNetwork.org.
