FOR IMMEDIATE RELEASE

LYN ENGLAND RECEIVES ALLTRICITY NETWORK'S 2025 EMERGING LEADER AWARD

CENTENNIAL, Colorado — Lyn England, Project Manager, POWER Engineers, received the 2025 Emerging Leader Award from the Alltricity Network at its 2025 Spring Conference, held May 5–7 in Dallas, TX.

The Emerging Leader Award honors Alltricity Network members with 5–10 years of industry experience who have shown strong leadership potential, made significant contributions to their organizations, and serve the electric utility industry with distinction.

Lyn joined POWER Engineers as an entry level engineer in 2017. She has engaged in various engineering disciplines within SAS, building a well-rounded technical base that included protective relaying, design studies, and SCADA projects. Lyn has become a trusted advisor for her clients and has worked her way upward to a project suite leader, and recently was promoted to a project manager role. Lyn's dedication to her teams is evident through her swift development into a lead role, recognizing the support she could provide to others. From successfully onboarding new team members, both internal and external to POWER, to technical process development, Lyn has been instrumental in growing a team of accomplished engineers and leaders to support our nation's top projects.

Congratulations to Lyn and to all nine 2025 Alltricity Network Emerging Leader Award Winners. Thank you for your dedication to the electric utility industry:

- » Mohammad Amrollahi, Lead Transmission Engineer, Omaha Public Power District
- » Luis Bonilla, Senior Manager—Generation Major Projects, Salt River Project
- » Lyn England, Project Manager, POWER Engineers
- » Wyatt Lauer, Senior Electrical Engineer, Burns & McDonnell
- » Nicholas Lee, Operations Manager—Water Systems, Nebraska Public Power District
- » Marc Prasse, Engineering Manager, Sargent & Lundy
- » Ben Prueter, Project Manager, Kiewit
- » Erik Rios, Engineering Supervisor—System Protection, Arizona Public Service
- » Jeffrey Stephens, Project Manager II, Xcel Energy

Alltricity Network is now accepting nominations for the 2026 Emerging Leader Award through January 30, 2026. For details and submission guidelines, visit AlltricityNetwork.org/EmergingLeaderAward.

About Alltricity Network *(formerly known as RMEL):*

Alltricity Network is a not-for-profit energy trade association that has served the electric utility industry since 1903. United through education, networking, and training, our community—and our impact—is stronger. Alltricity Network's mission is: **Preparing the electric utility industry for the future through education and networking.** For more information, visit our website: AlltricityNetwork.org.
