

LaundryMarks™

BY ALM

Underwriting Opportunities

For almost ten years, the laundry industry has pleaded for consistent benchmarking information. The new LaundryMarks™ by ALM platform gives the industry exactly what laundries seek, for every laundry processing plant, at no cost.

Be part of the solution and show your customers you are willing to invest in **their** future by supporting this revolutionary platform. As an underwriter, your support communicates that you:

- Value data-driven decisions
- Support proven, innovative practices
- Encourage sound growth and expansion

LaundryMarks™ supporters will be recognized on the website, in marketing materials and industry data publications, and on each report generated by participating laundries. Laundries will know you have provided the platform to them through your generous, annual donation.

Please note, first-time supporters receive benefits through February 2021!

Charter Supporter

One Available

\$10,000/annually

- Static leaderboard* on the LaundryMarks™ landing page and dashboard (see layout samples)
- Leaderboard* on ALL LaundryMarks™ report pages, both digital and print (9 unique reports)
