SENT VIA EMAIL

The Honourable Lisa MacLeod
Minister of Children, Community and Social Services
14th Flr, 56 Wellesley St W,
Toronto, ON
M7A 1E9

Dear Minister MacLeod,

On behalf the Thunder Bay District Health Unit (TBDHU) Board of Health, it is with significant concern that I am writing to you regarding funding for the Healthy Babies, Healthy Children (HBHC) Program.

The Healthy Babies Healthy Children (HBHC) program is a prevention/early intervention initiative designed to ensure that all Ontario families with children (prenatal to age six) who are at risk of physical, cognitive, communicative, and/or psychosocial problems have access to effective, consistent, early intervention services and is a mandatory program for Boards of Health.

In 1997 the province committed to funding the Healthy Babies Healthy Children program at 100%. Province wide funding allocations have been essentially “flat-lined” from an original allocation that was completed in 2008, with the exception of the one-time funding increases for implementation of the 2012 Protocol. In the interim, collective agreement settlements, travel costs, pay increments and accommodation costs have increased the costs of implementing the HBHC program. Management and administration costs related to the program are already offset by the cost-shared budget for provincially mandated programs.

Simultaneously the complexity of clients accessing the program has increased requiring that more of the services be delivered by professional versus non-professional staff. The TBDHU has made every effort to mitigate the outcome of this ongoing funding shortfall however it has become increasingly more challenging to meet the targets set out in HBHC service agreements. At the current funding level services for these high-risk families will be reduced.

In 2016 the firm MNP performed a review of the HBHC program provincially and found that “based on the activities of the current service delivery model, and using the targets outlined in the service agreements … there is a gap in the current funding of the program of approximately $7.808M.” (Ministry of Children and Youth Services - Healthy Babies Healthy Children Program Review Executive Summary p.7)

The Thunder Bay District Board of Health continues to advocate that the Ministry of Children, Community and Social Services fully funds the Healthy Babies Healthy Children program, including all staffing, operating and administrative costs.
Thank you for your attention to this important public health issue.

Sincerely,

Original Signed by

Joe Virdiramo, Chair
Board of Health
Thunder Bay District Health Unit
