alPHA is the go-to place to consult and dialogue about the local public health system. We have strong reciprocal relationships with key government and ministry leaders and staff.

Position papers and policy statements focus on influencing the modernization of public health and its implications on local public health.

alPHA members find the work of alPHA relevant and actively engage and participate in its services.

Mission:
alPHA, through a strong and unified voice, advocates for public health policies, programs and services on behalf of member health units in Ontario.
