October 28, 2015

The Honourable Kathleen Wynne
Premier of Ontario
Legislative Building, Queen’s Park
Toronto, ON M7A 1A1

Dear Premier Wynne,

Re: Northern Ontario Evacuations of First Nations Communities

At its meeting on September 22, 2015 the Board of Health for the District of Algoma Health Unit considered the correspondence forwarded by the Sudbury and District Health Unit in regards to the evacuations of First Nations communities in Northern Ontario.

This Board supports their recommendations as outlined in their attached letter and hopes that you will consider the need for a proactive, planned and adequately resourced evacuation system to ensure the safety of all First Nations Communities affected.

Thank you for your consideration.

Sincerely,

Lee Mason
Chair, Board of Health

Dear Premier Wynne:

Re: Northern Ontario Evacuations of First Nations Communities

At its meeting on June 18, 2015, the Sudbury & District Board of Health carried the following resolution #32-15:

WHEREAS the evacuation and relocation of residents of a number of First Nations communities in Northwestern Ontario and along the James Bay Coast, is required on a close to annual basis due to seasonal flooding and risk of forest fires; and

WHEREAS a safe, effective, and efficient temporary community relocation is challenging within the current reactive model; and

WHEREAS a proactive, planned and adequately resourced evacuation system would ensure the maintenance of quality evacuation centers in pre-selected host municipalities, as well as appropriate infrastructure to ensure the health and safety of evacuees in a culturally acceptable manner; and

WHEREAS the Thunder Bay District Board of Health passed a motion on March 18, 2015, and has submitted a letter dated April 10, 2015 to the Honourable Kathleen Wynne requesting that the provincial government address the ongoing lack of resources and infrastructure to ensure the safe, efficient and effective temporary relocation of First Nations communities in Northwestern Ontario and the James Bay coast when they face environmental and weather related threats in the form of seasonal flooding and forest fires;
THEREFORE BE IT RESOLVED THAT the Sudbury and District Board of Health support the Thunder Bay District Board of Health’s resolution 50-2015 dated March 18, 2015; and

FURTHER THAT a copy of this motion be forwarded to the Premier of Ontario, Ministers responsible for Health and Long-Term Care, Community Safety and Correctional Services, Aboriginal Affairs, Northern Development and Mines, Natural Resources and Forestry, local area Members of Provincial Parliament and all Ontario Boards of Health.

It is the Board’s hope that you will seriously consider the need for a proactive, planned and adequately resourced evacuation system which would ensure the safe, efficient and effective temporary relocation of First Nation communities in Northwestern Ontario and the James Bay coast when these communities are threatened by seasonal flooding and risk of forest fires.

Thank you for your attention to this important public health issue.

Sincerely,

[Signature]
