Dear Premier Wynne,

Re: Northern Ontario Evacuations of First Nations Communities

At its meeting held on September 9, 2015, the Board of Health for the Peterborough County-City Health Unit considered correspondence forwarded and supported by the Sudbury District Health Unit regarding evacuations of First Nations communities in Northern Ontario.

The Board echoes the recommendations outlined in their letter (attached) and it is our hope that you will address the needs of these vulnerable communities and ensure their safe, efficient and effective temporary relocation when faced with environmental and weather-related threats.

Sincerely,

Dear Premier Wynne:

Re: Northern Ontario Evacuations of First Nations Communities

At its meeting on June 18, 2015, the Sudbury & District Board of Health carried the following resolution #32-15:

WHEREAS the evacuation and relocation of residents of a number of First Nations communities in Northwestern Ontario and along the James Bay Coast, is required on a close to annual basis due to seasonal flooding and risk of forest fires; and

WHEREAS a safe, effective, and efficient temporary community relocation is challenging within the current reactive model; and

WHEREAS a proactive, planned and adequately resourced evacuation system would ensure the maintenance of quality evacuation centers in pre-selected host municipalities, as well as appropriate infrastructure to ensure the health and safety of evacuees in a culturally acceptable manner; and

WHEREAS the Thunder Bay District Board of Health passed a motion on March 18, 2015, and has submitted a letter dated April 10, 2015 to the Honourable Kathleen Wynne requesting that the provincial government address the ongoing lack of resources and infrastructure to ensure the safe, efficient and effective temporary relocation of First Nations communities in Northwestern Ontario and the James Bay coast when they face environmental and weather related threats in the form of seasonal flooding and forest fires;
THEREFORE BE IT RESOLVED THAT the Sudbury and District Board of Health support the Thunder Bay District Board of Health’s resolution 50-2015 dated March 18, 2015; and

FURTHER THAT a copy of this motion be forwarded to the Premier of Ontario, Ministers responsible for Health and Long-Term Care, Community Safety and Correctional Services, Aboriginal Affairs, Northern Development and Mines, Natural Resources and Forestry, local area Members of Provincial Parliament and all Ontario Boards of Health.

It is the Board’s hope that you will seriously consider the need for a proactive, planned and adequately resourced evacuation system which would ensure the safe, efficient and effective temporary relocation of First Nation communities in Northwestern Ontario and the James Bay coast when these communities are threatened by seasonal flooding and risk of forest fires.

Thank you for your attention to this important public health issue.

Sincerely,

Penny Sutcliffe, MD, MHSc, FRCPC
