The Honorable Christine Elliott
Minister of Health and Deputy Premier
Hepburn Block, 10th Floor, 80 Grosvenor Street
Toronto ON M7A 1E9

Dear Minister Elliott:

RE: 2020 Municipal Cost Share of Public Health Funding

At its meeting on January 30, 2020, the Eastern Ontario Health Unit (EOHU) Board of Health unanimously passed the following motion number 2020-1393:

WHEREAS the Ontario Government’s Public Health Modernization Consultation process is still ongoing and in fact delayed;

WHEREAS the Public Health Modernization Consultation process does not address public health funding models including municipal cost-share;

WHEREAS without prior consultation nor discussion with health units or municipalities and before a new public health structure model has been devised and implemented, the municipal public health funding share for 2020 has been increased to 30% and now extends to include programs not previously cost-shared with municipalities;

WHEREAS the 30% share across all programs, including those previously not cost-shared will result in significant and likely unsustainable increase of close to 50% to the EOHU’s 3 obligated, mostly rural municipalities which have a limited tax base;

WHEREAS the EOHU’s obligated municipalities have planned for a 2020 modest overall contribution increase of up to 2% which is less than their new 30% cost-share formula 2020 contribution, even offset by verbally confirmed one-time transitional funding by the Ministry of Health;

THEREFORE, BE IT RESOLVED THAT for the calendar year of 2020 the provincial Ministry of Health reverse the 30% cost-share formula and return to previous years’ municipal share of 25% applicable only to previously shared mandatory programs;

and

FURTHERMORE THAT copies of this motion be forwarded to local municipalities, the Wardens Caucus of Eastern Ontario, the Association of Municipalities of Ontario (AMO), ROMA, local MPPs, MPP Steven Clark, all Ontario Boards of Health, the Association of Public Health Agencies (alPHa) in request for their support to urge the provincial Ministry of Health not to change the 2019 cost-share formula.
