

Govern With Confidence

Practical training built for Ontario's Board of Health members, whether you're newly appointed or want a solid refresher.

COURSE 01 · HALF DAY

Board of Health Governance

Public health governance and Ontario's Public Health Standards, explained for board members.

- ✓ Understand what public health does and why it matters
- ✓ Know the legislation and Ontario Public Health Standards that guide your board
- ✓ Clarify your roles, responsibilities, and board structures
- ✓ See how the Ministry of Health and public health funding work
- ✓ Learn how alPHa supports your board

COURSE 02 · HALF DAY

Social Determinants of Health

Why SDOHs matter to public health and to the municipal governments you serve.

- ✓ Understand what the social determinants of health are
- ✓ Know the public health legislation that frames them in Ontario
- ✓ Explore common SDOH frameworks and each determinant in context
- ✓ Connect the determinants to public health priorities
- ✓ Make the case for upstream action to your municipal council
