Program Manager, School Health, Healthy Growth & Development – Full Time

KFL&A Public Health is a local public health agency with over 200 staff and 150 volunteers who deliver public health programs and services to the people of the KFL&A area. There is an immediate opening for a Program Manager, School Health, Healthy Growth & Development

The Program Manager, School Health, Healthy Growth & Development is responsible for assessing, planning, implementing and evaluating the school health program, in consultation with the Director, to achieve common goals for optimal health and well-being of children and youth in KFL&A. The Program Manager is accountable for achieving goals and objectives of the KFL&A Public Health Strategic Plan and implementing the Ontario Public Health Standards. The Program Manager is accountable for advancing a culture of excellence in professional practice and quality by promoting the use of evidence-based best practices to deliver programs and services at KFL&A Public Health, including health promotion.

The successful candidate will have a Bachelor of Nursing which includes public health nursing preparation, registration and membership in good standing with the College of Nurses of Ontario and a minimum of 3 years previous professional experience in public health or a related field. A Master’s degree in a relevant field of study and previous management experience preferred.

KFL&A Public Health is committed to providing staff with a healthy work environment. A large, bright, spacious, and airy physical environment complete with in-house gym/shower facilities; together with continuing education and professional development opportunities; flexibility in work hours; family-friendly policies; strong community and clinical leadership and support and an open-minded, caring, supportive environment, all play an integral role in employee retention.

If you are interested in this exciting opportunity, please apply to: Human Resources, KFL&A Public Health: hr@kflaph.ca by February 23, 2022.

KFL&A Public Health supports diversity in all of its forms, including but not limited to age, disability, economic circumstance, marital status, ethnicity, gender, gender identity and gender expression, race, religion, and sexual orientation. Accommodations will be made, upon request, for candidates taking part in all aspects of the selection process.

We thank all those who take the time to apply, but only those chosen for an interview will be contacted.
