PRESS RELEASE

ALVMA Honors Dr. Jennifer Dexter with Service Award

July 7, 2014

FOR IMMEDIATE RELEASE

MONTGOMERY, Ala. - The Alabama Veterinary Medical Association recently honored Dr. Jennifer Dexter of Birmingham with a Service Award during the ALVMA Awards Luncheon on June 19 at their annual conference at Sandestin Golf and Beach Resort. This award is presented to members who have contributed generously of their time and energies to the Association for the advancement of the profession.

“Dr. Dexter devoted her time and vigilance to the Jefferson County VMA and her hard work has paid off by bringing the Association to a financially solid position. She took on a project that was lacking organization and attention, and turned it into an asset,” said Dr. Bill Allen, ALVMA past president.

Dr. Jennifer Dexter graduated in 2000 receiving her DVM from Auburn University College of Veterinary Medicine. She worked for one year at Cahaba Mountain Brook Animal Clinic and in 2001 became an associate veterinarian at Hoke Animal Clinic and Green Springs Animal Clinic. Dexter has served as treasurer for the Jefferson County Veterinary Medical Association for the past four years. During her tenure as treasurer, her diligence has the association’s financial records in excellent shape.

Founded in 1907, The Alabama Veterinary Medical Association is comprised of approximately 725 veterinarians from around the state, all committed to protecting People, Pets and Livestock – Yesterday, Today and Always.
