

GREECE: ONE OF THE WORLD'S BEST SEA KAYAKING LOCATIONS

2015 ACA Members trips

8 Days Sea Kayaking Multi-Adventure Trips to Greece

Various dates for 2015 available - refer to page 2 for specific date information.

Due to the success of the previous weeks for ACA members, we are offering 3 separate weeks during 2015. These weeks offer exciting opportunities for sea kayaking, bicycle trips and Greek cultural activities, combined with other fun, active and social events on the beautiful Greek Island of Poros. Poros Island is conveniently located in the Saronic Gulf region of Greece only 32 miles south west of Athens and is easily reached from the port of Piraeus by hydrofoil in 55 minutes. It is an unspoiled traditional Greek island June or September are the best times of the year to visit Greece for activity based vacations.

Poros Island and adjacent coastlines provides the perfect location for short and longer kayaking trips, such as visiting nearby small islands, the volcanic peninsula of Methana, or circumnavigation of Poros Island. Sunrise and sunset paddles in the Greek islands are truly magical experiences.

The paddling excursions are guided by a British Canoe Union level 3 sea coach. They are suitable for all levels of experience. Activities include opportunities to snorkel, visit ashore, swim and soak up the atmosphere of the clear blue warm waters of the Mediterranean Sea. Kayaking skills development and some BCU certification can be incorporated into the daily activities if preferred.

Your base for this 8-day vacation will be Odyssey Activity Centre, located in the small hamlet of Askeli 50 yards from the beach where you can enjoy modern rooms with private baths. Each room is also equipped with air-conditioning and free Wi-Fi. All included meals are provided at the adjacent Odyssey restaurant.

Please invite your non-paddling companions, too. To make this a truly memorable vacation we have also included a wide range of other activities. Try a fun Greek cooking session learning to make well known Greek dishes. Go on a full-day guided trip to the UNESCO world

heritage island of Hydra. Also on offer are guided walks and cycle trips to local cultural and historical places of interest. Choose whatever you like to do, it is all included in this multi-adventure trip.

If you wish to spend some time in Athens or other well-known Greek locations before or after your participation in this week, further information can be supplied. We are happy to assist you with any arrangements or questions that you may have.
