MAKING THE WORLD A BETTER PLACE TO PADDLE! SINCE 1880.

June 29, 2016

Hello <insert club president first name>,

As the President of the <insert paddling club name>, we would like to invite you to serve on the inaugural Paddle America Club Advisory Council.

In an effort to improve all aspects of paddlesports for clubs and individuals, we are extending this initial offer to participate on the PAC Advisory Council to a small, select group of club Presidents from across the country. In addition, this council will provide significant networking opportunities amongst fellow club Presidents.

Mission of the PAC Advisory Council:

The Paddle America Club Advisory Council provides advice and recommendations to the ACA on matters related to enhancing the paddlesports experience for club members and the general public.

Time Commitment:

The PAC Advisory Council will have two Go-To-Meetings or Conference Calls per year and will meet in person once a year. We ask that an individual would serve for an initial two(2) year term. The 2016 meeting is tentatively scheduled for September 24-25 at the ACA National Office in Fredericksburg, VA.

Travel Expenses:

Travel expenses to the annual PAC Advisory Council meeting will be reimbursed by the ACA.

Additional information can be found at: www.americancanoe.org/PACAdvisoryCouncil or by contacting Candy Patten (cpatten@americancanoe.org; 540-907-4460 x112) at the ACA National Office.

We would appreciate either a confirmation or regrets by Wednesday, July 13th.

On behalf of the ACA membership, thank you for your time and for considering sharing your expertise on the PAC Advisory Council.

Paddle safe – paddle often,

Christopher Stec
