

Coastal Kayaking Camping Module (Sample Skills Course)

Course Overview: The **Coastal Kayak Camping Course** is designed to be delivered by (L2 through L4) Instructors who have completed the Camping Endorsement. The Course can be delivered as a separate course or in conjunction with another skills course. Participants learn the basic skills required to plan and prepare short overnight trips in Coastal environments and near shore lakes. The participants will learn about proper equipment and how it is used, how to select a camp location, food transportation and preparation, and to follow leave no trace principals throughout the trip. This course requires the appropriate equipment, solo or tandem kayaks appropriate for the course venue.

Essential Eligibility Criteria (EEC):

ACA courses are open to all individuals who acknowledge the ability to perform the following essential eligibility criteria.

1. Breathe independently (i.e., not require medical devices to sustain breathing)
