

Level 2: Essentials of Sit-On-Top River Kayaking Instructor Criteria

Overview: Participants should have the paddling skills, technical knowledge, rescue ability, teaching ability, group management, and interpersonal skills commensurate with this level of certification prior to presenting themselves for evaluation as Instructor Candidates at an Instructor Certification Exam (ICE). This course prepares the instructor to teach students using sit-on-top (SOT) kayaks only and curriculum should highlight this limitation. Students should understand that rescuing decked kayaks requires additional and separate instruction. **This certification does not encompass all the criteria of Level I Introduction to Kayaking and thus does not by itself, qualify the instructor to teach that level nor the Kayak Flatwater Safety and Rescue skills courses/assessments.**

Essential Eligibility Criteria (EEC):

ACA courses are open to all individuals who acknowledge the ability to perform the following essential eligibility criteria.

1. Breathe independently (i.e., not require medical devices to sustain breathing)
2. Independently maintain sealed airway passages while under water
3. Independently hold head upright without neck / head support
4. Manage personal care independently or with assistance of a companion
5. Manage personal mobility independently or with a reasonable amount of assistance
6. Follow instructions and effectively communicate independently or with assistance of a companion
7. Independently turn from face-down to face-up and remain floating face up while wearing a properly fitted life jacket*
8. Get on / off or in / out of a paddlecraft independently or with a reasonable amount of assistance*
9. Independently get out and from under a capsized paddlecraft*
10. Remount or reenter the paddlecraft following deep water capsize independently or with a reasonable amount of assistance*
11. Maintain a safe body position while attempting skills, activities and rescues listed in the appropriate Course Outline, and have the ability to recognize and identify to others when such efforts would be unsafe given your personal situation*

** To participate in adaptive programs, participants must acknowledge only the first six EEC listed above. Entry-level adaptive programs will involve teaching and practicing EEC #7-11.*

Course Prerequisites: Completion of the appropriate level skills course, assessment course, or equivalent skills. We strongly encourage L 1 Kayak Instructor.

Instructor Trainer: This certification course may be offered by L2 or higher ACA River Kayak Instructor Trainers or Instructor Trainer Educators.
