Dear ACA Olympic & Paralympic Community,

Due to the ongoing COVID-19 outbreak and to protect the health and safety of all, the following Team qualification events contemplated in ACA's 2020 Tokyo Olympic/Paralympic Selection Procedures have been postponed:

- ACA Slalom National Team Trials, Competition 1, Oklahoma City, OK, 05/02-03/2020
- ACA Slalom National Team Trials, Competition 2, Oklahoma City, OK, 05/08-09/2020
- ACA Sprint National Team Trials, Gainesville, GA, 4/16-19/2020
- ACA Paracanoe National Team Trials, Gainesville, GA, 4/16-19/2020

Because of the unforeseen changes, along with travel restrictions currently in place, the Selection Procedures are now under review and may be amended.

The updates will be posted online and widely distributed as soon as possible. As new developments occur daily, ACA remains flexible but commits to acting expediently and in a manner to provide a fair process for all. We will keep athletes informed along the way, and we appreciate your understanding and patience as we navigate the challenges the COVID-19 situation has presented.

I thank you for your continued commitment to each other's safety and health, and to working through these challenging times together.
