

We wish to congratulate all the athletes who competed in the 2019 USA Canoe Slalom National Team Trials. Also, we want to thank Riversport Whitewater Center in Oklahoma City for hosting this year's team trials, with particular thanks to all the volunteers who made this event possible. Despite challenging weather, high winds, heavy rain, and cold temperatures, the race was a tremendous success. Athletes proved that no matter the circumstances, excellence prevailed.

Finally, we wish to thank the Canadian Canoe Slalom Team, who held their team trials in tandem with ours, for their assistance in making these trials such a great event.

Congratulations to the 2019 US Canoe Slalom Team Members. Best of luck in the 2019 race season – bring home Gold!
