River Kayaking Hand-Paddling  
(Instructor Endorsement Criteria)

Course Overview: Designed for currently certified ACA River Kayak Instructors, this Endorsement Course will provide instructors with the knowledge and skills for effective instruction on safe and effective use of hand-paddles. Per the ACA, “By taking and passing the specified course, a certified ACA Instructor can become endorsed to teach additional, specialized courses.”

Instructors receiving this endorsement may be endorsed at the same level of their current certification or at a lower level, as determined first by venue conditions of the endorsement course and then by instructor ability and willingness to demonstrate and teach to the criteria outlined below in those venue conditions.

Essential Eligibility Criteria (EEC):
ACA courses are open to all individuals who acknowledge the ability to perform the following essential eligibility criteria.

1. Breathe independently (i.e., not require medical devices to sustain breathing)
2. Independently maintain sealed airway passages while underwater
3. Independently hold head upright without neck/head support
4. Manage personal care independently or with the assistance of a companion
5. Manage personal mobility independently or with a reasonable amount of assistance
6. Follow instructions and effectively communicate independently or with the assistance of a companion
7. Independently turn from face-down to face-up and remain floating face up while wearing a properly fitted life jacket*
8. Get on/off or in/out of a paddle craft independently or with a reasonable amount of assistance*
9. Independently get out and from under a capsized paddlecraft*
10. Remount or reenter the paddlecraft following deep water capsize independently or with a reasonable amount of assistance*
11. Maintain a safe body position while attempting skills, activities, and rescues listed in the appropriate Course Outline, and have the ability to recognize and identify to others when such efforts would be unsafe given your personal situation*

* To participate in adaptive programs, participants must acknowledge only the first six EEC listed above. Entry-level adaptive programs will involve teaching and practicing EEC #7-11.

Course prerequisites: Be a currently certified ACA River Kayak instructor in good standing at Level Level 2: Essential of River Kayaking (or higher).
Course Duration: 1 Day (8 hours)

Course Location / Venue: Optimal conditions are moving water at the desired endorsement level, not to exceed the instructor’s level of certification.
