

4th Annual Trauma Prevention Coalition Injury Prevention Coordinators Symposium Agenda

Thursday, June 7th, 2018

Morning Session

- 8:00a - 8:15a Welcome and Update on the Trauma Prevention Coalition
Glen Tinkoff, MD, FACS - Chair, Trauma Prevention Coalition
- 8:15a - 9:00a Morning Keynote - "ATS - 50 Years of Injury Prevention"
Christopher Michetti, MD, FACS - Chair, American Trauma Society
- 9:00a - 10:00a Standards and Indicators for Model Level I & II Trauma Center Injury and Violence Prevention Programs
Stewart Williams, BS, CPST-I - Safe States
A national collaborative of trauma and injury prevention organizations have developed consensus driven Standards and Indicators for hospital based injury and violence prevention programs. This presentation will provide background on the development of the standards and the practical applications for injury prevention coordinators.
- 10:00a - 10:15a Break

Session A - Leadership

- 10:15a - 11:00a Engaging Hospital Leadership to Increase Institutional Support for Injury Prevention Programs
Beverly Miller, MEd - Arkansas Children's Hospital
Hospital based injury prevention programs are uniquely positioned within systems of acute patient care. The presenter will discuss how injury prevention professionals can increase their program's institutional value and leverage the hospital's mission and strategic plan to increase leadership support for community outreach.

Session B - Resources

- 11:00a - 12:00a Funding and Beyond: Making the Most of Fiscal and Non-Fiscal Resources
Panel Discussion, Moderated by Glen Tinkoff, MD, FACS - UH Cleveland Medical Ctr.
Hospital based injury prevention programs are uniquely positioned within systems of acute patient care. The presenter will discuss how injury prevention professionals can increase their program's institutional value and leverage the hospital's mission and strategic plan to increase leadership support for community outreach.
- Leveraging Volunteer Resources
Christy Adams, RN, MPH, PhD (c) - UC Davis Heath
 - Grant Funding
Pina Violano, PhD, MSPH, RN-BC, CCRN, CPS-TC - Yale-New Haven Hospital
 - County, State & Federal Funding
Tara Reed Carlson, MS, RN - R Adams Cowley Shock Trauma Center
- 12:00a - 12:15p Break

4th Annual Trauma Prevention Coalition Injury Prevention Coordinators Symposium Agenda Thursday, June 7th, 2018 (continued)

Lunch Session

12:15p - 1:15p

Chapter 18 Updates - Examples of Programs That Meet "Orange Book" Guidelines
Deborah A. Kuhls, MD, FACS, FCCM - University of NV, Las Vegas School of Medicine

Session C - Data

1:15p - 2:00p

CDC WISQARS/Violence Database Demonstration
Michael Ballesteros, PhD - Centers for Disease Control and Prevention (CDC)
Research Expert from the CDC will discuss the importance of framing local injury data within a national context. The presenter will provide an update and real-time demonstration of web-based injury data query systems.

Session D - Injury Prevention and Public Health

2:00p - 2:45p

Strengthening Hospital Based Injury Prevention Through a Public Health Framework
Christy Adams, RN, MPH, PhD (c) - UC Davis Healthcare
A background on how hospital IP programs fit within the public health model followed by a facilitated discussion on how IP professionals can move their profession forward by using the public health framework.

2:45p - 3:00p

Break

Session E - Effective Interventions

3:00p - 3:45p

Injury Prevention Program Quick-Shot Presentations
Moderated by Christy Adams, RN, MPH, PhD (c) - UC Davis Healthcare
Injury Prevention Professionals provide 5-minute PowerPoint overviews of their evidenced based programs.

- Stop the Bleed - *Jill Watras, MD, FACS - Inova Fairfax Hospital*
- Kids in Hot Cars - *Beverly Miller, MEd - Arizona Children's Hospital*
- Senior Fall Prevention Program - *Ellen Corman, MRA - Stanford Healthcare*
- Hospital-Based Violence Intervention Program - *Pina Violano, PhD, MSPH, RN-BC, CFRN, CPS-T - Yale-New Haven Hospital*
- Distracted Driving Program - *Bella Chant, MSN, RN, CRRN - R Adams Cowley Shock Trauma Center*
- Childhood Drowning Prevention Program - *Karen Macauley, DHA, MEd, BSN, TCRN, CEN - Johns Hopkins All Children's Hospital*

3:45p - 5:00p

Breakout Roundtable Discussions on Injury Prevention Interventions
Moderated by Christy Adams, RN, MPH, PhD (c) - UC Davis Healthcare
Quick Shot presenters lead roundtable discussions on injury prevention interventions. This informal session will allow participants to move between tables and join multiple discussions.

6:00p - Close

No-Host Networking Reception

4th Annual Trauma Prevention Coalition Injury Prevention Coordinators Symposium Agenda

Friday, June 8th, 2018

Morning Session - Advocacy

8:00a - 9:15a

Engaging Patient Advocates to Support Prevention Efforts

Anna Bradford Newcomb, PhD, LCSW - Inova Fairfax Trauma Center

The trauma survivor's network gives recovered trauma patients the opportunity to participate in injury prevention efforts. Learn how one hospital engages trauma survivors in advocacy and education.

Session F – Partnerships

9:15a - 10:15a

Building Program Capacity through Coalitions and Community Partnerships

Panel Discussion Moderated by Pina Violano, PhD, MSPH, RN-BC, CCRN - Yale-New Haven Hospital

Injury prevention professionals can increase program outreach by cultivating strong relationships with diverse partners. Panel participants share their insight and experience with starting coalitions, identifying potential partners and collaborating with diverse stakeholders.

- Differences Between Coalitions, Collaborations & Networks – *Ellen Corman, MRA - Stanford Healthcare*
- Available Tools/Frameworks for Coalition Development - *Sheryl Garland, VCU Health*
- Case Study: How We Started a Local Coalition - *Wendy McEuen, RN, MSN, CEN, TCRN - Riverside Community Hospital*
- Non-Traditional Partnerships – *Heather Talbott, MSN, APRN - Bryan Medical Center*

10:15a - 10:30a

Break

Next Steps - Strengthening Injury Prevention Through National Standards

10:30a - 11:30a

Introduction to Injury & Violence Prevention Standards & Indicators Program Assessment Tool

Stewart Williams, BS, CPST-I & Christy Adams, RN, MPH, PhD (c) - Safe States

The national IVP Standards and Indicators provide injury prevention professionals with a roadmap for program growth and development. The program assessment tool takes users through a step-by-step process of identifying their program's strengths and areas for improvement.

11:30a - 11:45a

Closing Remarks

Glen Tinkoff, MD, FACS - Chair, Trauma Prevention Coalition
