2020-2021 AMWA Special Committees & Work Groups

**AMWA Engage Committee**
Monitors AMWA Engage discussions and trends and encourages participation to enhance member value.

**AMWA Journal Editorial Board**
Provides support for the AMWA Journal to ensure that it meets the needs of and provides value to the medical writing community.

**Annual Conference Program Committee**
Supports the development, promotion, and evaluation of educational programming at the Medical Writing & Communication Conference.

**Communications Committee**
Works with staff to generate engaging outreach materials that spark interest and drive participation in AMWA’s programs.

**Education Committee**
Oversee the preservation and enhancement of AMWA’s educational strategy, programs, and resources.

**Medical Writing Certification Commission**
Oversees the credentialing program for medical writers. Commission members are appointed by the AMWA Board of Directors including a chair and a chair-elect or two co-chairs, and up to eight at-large members, with 2-year renewable terms (January 1-December 31).

**Medical Writing Executives Advisory Council**
Serves to maintain a connection between pharma/biotech professionals whose responsibility it is to recruit, train, and manage medical communicators.

**Member Awards Committee**
Solicits, reviews, and recommends nominees to the AMWA Board of Directors for awards recognizing AMWA members.

**Value of Medical Writing Workshop Group**
The purpose of AMWA’s Value of Medical Writing Working Group is to work toward defining and quantifying the value of medical writing.
