

SPONSORSHIP OPPORTUNITIES

**AAC Annual Anodizing Conference & Exposition
October 2-4, 2018 * Hilton Minneapolis * Minneapolis, Minnesota**

Make a difference with sponsorship support! AAC offers excellent ways for your company to receive recognition at the 2018 Anodizing Conference. Anodizing Conference sponsorships enable you to enhance your presence and increase awareness of your support for the anodizing community. If you are a member of the Aluminum Anodizers Council, consider sponsoring one or more of the following events/items:

Reception: The perfect networking events, whether you sponsor the opening reception on Tuesday evening ... when everyone gets together as a group for the first time at the 2018 conference ... or if you sponsor the Wednesday evening reception ... when everyone is energized from a full day of outstanding education, receptions are the place to be and be seen! Sponsorship commitment is \$3,000 for both Tuesday and Wednesday evening. Sponsorship includes an ice sculpture or your choice of a suggested commemorative give away item.

Breakfast: This event provides an opportunity for an AAC Member to sponsor a meal function on Wednesday, October 3rd or Thursday, October 4th. Sponsorship commitment is \$3,000 for Wednesday and \$2,000 for Thursday, with one sponsorship available for each breakfast. The breakfast sponsorship also includes an advertising specialty item to be given to all delegates. This item will feature the logo of the sponsoring company. (One sponsorship available for each day.)

Lunch: This opportunity is available to one company on Wednesday, October 3rd. All delegates will be given a commemorative item bearing the logo of the sponsoring company. Sponsorship commitment is \$3,000 for this lunch. (One sponsorship available.) - **SOLD**

Badge Lanyards: Sponsored badge lanyards will be given out to all delegates at registration. Lanyards will include the sponsoring company's logo along with the logo of the Aluminum Anodizers Council's logo. Put your company's logo around every delegate's neck for enhanced exposure! Sponsorship Commitment is \$2,000. (One sponsorship available.) - **SOLD**

Registration Envelopes: Sturdy plastic file-type envelopes will be ordered with your company logo, along with the AAC logo imprinted on them. Each delegate will receive the envelope which will contain the on-site program guide, attendee list and other registration items. In addition, the internal pocket of the envelope will hold each delegate's name badge. Sponsorship Commitment is \$2,000. (One sponsorship available.) - **SOLD**

Hotel Keycards: It is an opportunity for you to promote your company to all attendees staying in the hotel. Your 4-color logo will be printed on the hotel room keycards. Sponsorship Commitment is \$1,500. (One sponsorship available.) - **SOLD**

Student Poster Sessions: Student Poster Sessions has proved to be a great addition to our annual conference. It is a rewarding opportunity for you to provide a student in the Anodizing field with the opportunity to present their work, and network with people they will be working with upon their graduation. The student poster session will open on Tuesday evening with the opening reception and run through Wednesday. Their posters will be judged Tuesday evening and announced at the Wednesday night reception. Mentor a student by sponsoring him or her to help defray the costs of a student dedicated to the anodizing field to travel to Minneapolis and present his or her poster. Sponsorship Commitments available:

Three Options: **\$2,000 Full Patron**
 \$1,000 Partial Patron
 \$500 Mentor

**If you would like to sponsor a different event taking place at the Annual Anodizing Conference and Exposition that is not listed above, please contact Suzanne Spohr at the Aluminum Anodizers Council (847.416.7216) to discuss your ideas and options.*

WIIFM

(What's in it for me?)

As a 2018 Anodizing Conference Sponsor, you will receive the following benefits (in addition to what is listed above in each category):

- Your company's logo on a sign displayed in the registration area during the entire conference.
 - Recognition in the AAC Registration Brochure (if sponsorship and logo is received by **June 11**, in time for publication) ... brochure is distributed to a targeted audience of over 1,000 in the anodizing industry!
 - Recognition in the AAC Conference Program Guide
 - Recognition from the podium
 - Sponsor ribbon for each of your company representatives attending the meeting
 - Recognition on the AAC website (www.anodizing.org)
-

ALUMINUM ANODIZERS COUNCIL
