On Friday, May 6, Warren Bodine, DO, and Kate Quinn, DO, were sworn in as members of the AOASM Board of Directors. To learn more about AOASM’s new Board Members, contact the AOASM Board of Directors.

Guidelines on physical activity or exercise and pregnancy encourage pregnant women to continue or adopt an active lifestyle during and following pregnancy. Similarly, the athletic and general population can gain from the belief that athletes exist throughout the performing arts community, and that established musician/performing artist communities through collaborative exchange and application of performance techniques is an initiative focused on linking the sport athlete and musician/performing artist.

The guidelines provided variable.
