Interesting and Educational Dermatological Cases

Stephen M. Purcell, D.O.
Lehigh Valley Health Network/PCOM
Division of Dermatology
American Osteopathic College of Dermatology
April 1, 2016
Disclosure Information

AOCD Meeting April 1, 2016
Stephen M. Purcell, DO

I have no financial relationships to disclose.

I will not discuss off-label/investigational therapies in my presentation.
Objectives

• Present several interesting dermatological cases.
• Review educational “pearls” gleaned from these cases.
NutraSilver
Guidelines for Great, Natural Health

> Take 10-20 drops of NutraSilver twice a day to help strengthen your immune system.
> Avoid processed foods.
> Drink 8-10 glasses of de-mineralized water daily such as filtered or distilled water while taking NutraSilver.
> Exercise regularly (consult your physician).
> Focus your diet on whole grains; fresh fruits and vegetables; and lean proteins like raw nuts, avocado, fish and poultry.

These statements have not been evaluated by the FDA. This product is not intended to diagnose, prevent, treat or cure any disease.
