October, 3, 2022

The American Osteopathic College of Dermatology (AOCD) was recognized in 1958 as a Specialty College of the American Osteopathic Association (AOA). Over the past six decades, the AOCD has grown tremendously. The AOCD has become a strong and influential specialty college with well established academic and clinical settings throughout the United States. The AOCD is dedicated to promoting the practice of osteopathic dermatology on a national level. The AOCD membership has grown to over 800 board certified, practicing osteopathic dermatologists.

The American Osteopathic College of Dermatology is pleased to offer this year, corporate sponsorship to our colleagues in the pharmaceutical field and related industries. Sponsorships are very important to our organization as they help us provide support to our membership. Corporate sponsorship may be acquired through a contribution to the AOCD. The levels of contribution to achieve individual categories of sponsorship are: Diamond, $50,000; Platinum, $45,000; Gold, $40,000; Silver, $30,000; Bronze, $20,000; and Pearl Level, $10,000. These funds are used to support our growing membership, and other necessary projects.

As we move into 2023 we can only hope things get back to somewhat normal. The events of the past two years have taught us to be flexible and to try new things. We had to find new ways to meet our member’s needs as well as getting the word out to the public for our sponsors and vendors. The word virtual became the new normal, and we are not sure it will ever go away. Virtual meetings, virtual expos, virtual product theaters, all new to several of us. Some organizations saw growth in attendance. Some vendors saw increased interaction with attendees, and we all saw some new ideas to draw attention and participation. Please note our new additions to our sponsorship offerings. All designed to get you a great return on your investment. In 2023 AOCD will move to one live in-person meeting and 1 virtual meeting. Also note that AOCD has not raised our rates in years. Because of moving to one live meeting and increased expenses we have had to make increases for 2023.

If you are interested in establishing a relationship with the AOCD, please contact John Wise at jwise@aocd.org or call him at 660.665.2184.

The AOCD looks forward to hearing from you. Thank you again for your support of the AOCD as we continue to grow and improve our offerings to our members.

The AOCD is accredited by the American Osteopathic Association (AOA) and the Accreditation Council for Continuing Medical Education (ACCME) for delivery of Continuing Medical Education to any physician in the world.

Respectfully,
