

**Suzanne Sirota Rozenberg, DO, FAOCD**

Dr. Suzanne Sirota Rozenberg is currently the program director for the Dermatology Residency Training Program at St. John's Episcopal Hospital in Far Rockaway, NY. She graduated from NYCOM in 1988, did an Internship and Family Practice residency at Peninsula Hospital Center and a residency in Dermatology at St. John's Episcopal Hospital. She holds Board Certifications from ACOFP, ACOPM – Sclerotherapy and AOCD.

**Rick Lin, DO, FAOCD**

Dr. Rick Lin is a board-certified dermatologist practicing in McAllen, TX since 2006. He is the only board-certified Mohs Micrographic Surgeon in the Rio Grande Valley region.

Dr. Rick Lin earned his Bachelor degree in Biology at the University of California at Berkeley and received his medical degree from University of North Texas Health Science Center at Fort Worth in 2001. He also graduated with the Master in Public Health Degree at the School of Public Health of the University of North Texas Health Science Center. He then completed a traditional rotating internship at Dallas Southwest Medical Center in 2002.

In 2005 he completed his Dermatology residency training at the Northeast Regional Medical Center in Kirksville, Missouri in conjunction with the Dermatology Institute of North Texas. Dr. Rick Lin served as the Chief Resident of the residency training program for two years. He was also the Resident Liaison for the American Osteopathic College of Dermatology for two years prior to the completion of his residency. In addition to general dermatology and dermatopathology, Dr. Lin received specialized training in Mohs Micrographic surgery, advanced aesthetic surgery, and cosmetic dermatology.

Dr. Lin is board certified by American Osteopathic Board of Dermatology in the primary specialty of dermatology. He also holds the certification of added qualification for Mohs Micrographic Surgery from the Bureau of Osteopathic Medical Specialists of the American Osteopathic Association and the American Osteopathic Board of Dermatology.

As a leader in the field of dermatology, he is currently serving on the Board of Trustees for American Osteopathic College of Dermatology. He also chairs the Information Technology Committee of the Texas Osteopathic Medical Association and is the President for District 14. Dr. Lin also serves on several advisory boards for different pharmaceutical companies and contributes his opinion to the development of new medications.

**Lisa Swanson, MD, FAAD**

Dermatologist, Pediatric Dermatologist

Dr. Swanson is a board certified dermatologist. She was born in New Orleans, Louisiana, and raised in Scottsdale, Arizona. She attended college at the University of Colorado at Boulder, graduating with honors as an English major. After that she obtained her medical degree from Tulane University School of Medicine in New Orleans. She performed her internship at Mayo Clinic in Scottsdale, Arizona, and went on to complete her dermatology residency at Mayo Clinic in Rochester, Minnesota. She recently completed a fellowship in Pediatric Dermatology at Phoenix Children's Hospital in Arizona.

**Michael Whitworth, DO, FAOCD**

Dr. Michael Whitworth earned his medical degree from Kansas City University of Medicine and Biosciences, graduating cum laude. He completed his internship at Providence Hospital in Southfield, MI. He then completed a residency in dermatology at Michigan State University/Oakwood Southshore Hospital and served as chief resident. He holds a Certificate of Added Qualification in Mohs Micrographic Surgery.

Dr. Whitworth has worked at the Grekin Skin Institute since 2003, practicing in Warren and Wyandotte, MI.

Dr. Whitworth has served as clinical research director for biologic studies involving psoriasis, as well as an acne and cosmetic filler study. He has presented at dermatologic society meetings locally and nationally and has been published in dermatology journals including *Cutis* and the *Journal of the American Osteopathic College of Dermatology*.

He is a member of the American Academy of Dermatology, American Osteopathic College of Dermatology, American Society for Mohs Surgery, Michigan Dermatological Society and American Society for Dermatologic Surgery.

**James Del Rosso, DO, FAOCD**

James Q. Del Rosso, D.O. has been practicing dermatology since 1986, and in the Las Vegas area at the Las Vegas Skin & Cancer Clinics since 1997. He is Adjunct Clinical Professor of Dermatology at the Touro University of College of Osteopathic Medicine in Henderson, Nevada and has the distinction of being the first and only dermatology residency program director in the history of the state of Nevada. Prior to coming to Las Vegas, Dr. Del Rosso served as Head of the Section of Dermatology at the Ohio University College of Osteopathic Medicine in Athens, and Visiting Faculty Member in Dermatology at Ohio State University (OSU) in Columbus where he twice was honored as Educator of the Year by the dermatology residents. He received his D.O. degree from Ohio University College of Osteopathic Medicine, interned at Doctors Hospital in Columbus, completed a dermatology residency at Atlantic Skin Disease and Skin Surgery in Fort Lauderdale, Florida, and a fellowship in Mohs micrographic surgery and cutaneous oncology at OSU. At his practice in Henderson, Nevada, he is proud of the quality of service provided and has an exceptional support staff of nurses and medical assistants who are dedicated to quality patient care.

Dr. Del Rosso is an internationally renowned dermatologist. He is Clinical Editor of the *Journal of Clinical and Aesthetic Dermatology*, has published multiple peer-reviewed articles and textbook chapters, and was President of the American Acne & Rosacea Society, American Society of Mohs Surgery, and the American Osteopathic College of Dermatology. He is one of the most highly requested and well respected educators in dermatology, invited to present regularly at dermatology meetings both nationally and internationally. Dr. Del Rosso has many outside interests, especially music, and stays busy at times with four children and six grandchildren.

**Michael Hohnadel, DO, FAOCD**

Dr. Michael Hohnadel is a board-certified dermatologist practicing in Keller, TX.

Dr. Hohnadel received his Bachelor of Science degree in Chemical Engineering from Florida State University. He earned his medical degree from the University of North Texas Science Center - Texas College of Osteopathic Medicine. He completed a traditional internship at Suncoast Hospital in Largo, FL. Dr. Hohnadel then completed his residency in dermatology at Northeast Regional Medical Center in Duncanville, TX.

He is a member of the American Osteopathic College of Dermatology, American Osteopathic Association, Texas Osteopathic Medical Association and Texas Medical Association.

**Alpesh Desai, DO, FAOCD**

Dr. Alpesh Desai is a leading board-certified dermatologist who specializes in all aspects of adult and pediatric dermatology, including general, surgical, and cosmetic dermatology. He shares excellent academic and professional credentials, as well as a genuine commitment to sharing knowledge and experience with both his professional colleagues and his patients. It comes as no surprise that he has been named as one of Houston's Best Physicians by Health & Fitness Sports Magazine in 2007, 2008, and 2009.

A Houston native, Dr. Alpesh Desai returned to the area after successfully completing a surgical internship and dermatology residency in southern California. In 2006, he was selected among several of his peers to take over one of Houston's most prestigious dermatology practices. With the help of his brother, Dr. Tejas Desai, he expanded the practice to include Mohs Micrographic Surgery, cosmetic procedures, and clinical research trials. At Heights Dermatology & Aesthetic Center, the mission has been to utilize the emerging technology to deliver advanced patient care with a personal and caring touch.

His long list of professional affiliates includes memberships at the local and national levels, including the Texas Medical Association, Harris County Medical Society, and American Academy of Dermatology. Dr. Alpesh Desai is also a leader in the field of dermatology and conducts many clinical research trials in dermatology. He also provides free dermatology care to local charities and was recently awarded an Honor of Distinction by the Asian American Physician Association for his contribution and dedication to Southeast Asia Orphanages.

As a well-recognized expert in his field, Dr. Alpesh Desai has been frequently featured in print and broadcast media. He has been on numerous radio interviews discussing dermatological issues ranging from psoriasis to cosmetic procedures. Furthermore, he continues to contribute back to his medical community by authoring multiple medical articles, manuscripts, and texts currently in print. He is actively sought for civic, local, and national speaking engagements, where his goal has always been to educate and advance the care of dermatology diseases and skin cancer prevention.

**Tejas Desai, DO, FAOCD**

Dr. Tejas Desai is a board certified dermatologist and fellowship trained Mohs Micrographic Surgeon. He is a native Houstonian, and completed his undergraduate education at the University of Houston, where he graduated Magna Cum Laude in only three years. During medical school, he was involved in multiple dermatologic research teams at Columbia Medical School and

Harvard Medical School. Finally, he completed his dermatology and surgical fellowship in Southern California.

During residency, Dr. Tejas Desai won several awards for research and as a distinguished resident. He also lectured at several dermatologic meetings from across the nation to international cities such as Dublin, Ireland, and Buenos Aires, Argentina. He has also been recognized for his strong academic work, placing second in the nation on a dermatologic in-service exam amongst all residents in the country.

Dr. Tejas Desai enrolled in a one-year fellowship in Mohs Micrographic Surgery and facial reconstruction at Loma Linda University, where he trained with former co-chairman of dermatology at Harvard University. He also served as the coordinator of the Loma Linda Melanoma Tumor Board from 2007-2008, where difficult to treat cases were deferred to him and his colleagues. He has authored a plethora of scholarly articles in leading dermatology journals. In addition, he has authored three chapters in two major dermatology textbooks. Many of the chapters focus on the ethics and legality in the practice of dermatology. It comes to no surprise that he is an expert consultant to review dermatologic, malpractice cases in the state of Texas.

Dr. Tejas Desai is an adjunct professor of Western University of Health Sciences located in Pomona, CA, where he serves as an integral part of second year medical students' curriculum. He continues to mentor students all over the nation. He is currently involved in multiple community outreach programs, where he performs skin exams for different groups of people, such as local firemen and policemen to professional athletes. He has consulted several Anaheim Angels baseball players during Spring Training while in Southern California and has participated in international mission trips to the outskirts of the Amazon rain forest located near Quito, Ecuador.

Apart from academia, Dr. Tejas Desai has been invited as a guest from his good friend and colleague on Dr. 90210 on E!, discussing and performing laser tattoo removal on camera.

**David Cleaver, DO, FAOCD**

Dr. David Cleaver graduated from Truman State University with a BS in Biology. He graduated from KCOM in 2006 as a Doctor of Osteopathy. He did his Internship at Richmond Heights/Case Western University Hospital in Cleveland, OH and he completed his Dermatology training at St. Joseph Mercy Health System of Michigan State University in Ann Arbor, Michigan in June 2010. Dr. Cleaver is board-certified in dermatology and a Fellow of American Osteopathic College of Dermatology.

**Reagan Anderson, DO, FAOCD**

Dr. Reagan Anderson is an Osteopathic Doctor (DO) who specializes in general Dermatology and in Mohs Micrographic Surgery for the treatment of skin cancer. After graduating from Rampart High School in Colorado Springs, Dr. Anderson moved to Vancouver, British Columbia where he attained his Bachelor of Science and Biology from the University of British Columbia and a Master of Christian Studies degree from Regent College. Dr. Anderson was then invited to attend the founding Osteopathic Medical School, Kirksville College of Osteopathic Medicine. Upon matriculation, Dr. Anderson was commissioned in the United States Navy where he spent the majority of his time serving the United States Marine Corps as the First Reconnaissance Battalion Surgeon. Dr. Anderson states, "Over the five years I spent in the U.S. Navy, it was my distinct honor to serve the

medical needs of the military men and women of our great country. This experience, particularly my tours in Iraq where I treated U.S. and coalition military members as well as Iraqi civilians, gave me extensive experience in recognizing and treating the underlying causes of dermatologic conditions.” Dr. Anderson left the military in order to pursue Dermatology. During his three year dermatology residency at the Michigan State University Consortium/Oakwood Southshore Medical Center, he was actively involved in academic pursuits which included national and international lecturing as well as publishing several dermatologic articles. From October 2008-October 2009, Dr. Anderson represented all Osteopathic Dermatology Residents as the Resident Liaison for the American Osteopathic College of Dermatology.

Disclosures: Novartis, AbbVie, Kao, Galderma

**Lloyd Cleaver, DO, FAOCD**

Dr. Lloyd Cleaver, D.O. founded the Cleaver Dermatology Clinic in 1986. Dr. Cleaver completed his internship and residency at the Navy Regional Medical Center in San Diego, California. He is a graduate of Kirksville College of Osteopathic Medicine. He is also a Board Certified Dermatologist, Fellow of American Osteopathic College of Dermatology, and Board Certified in Mohs Surgery.

A leader in medical education, Dr. Cleaver is a Professor of Dermatology at the Kirksville College of Osteopathic Medicine/A.T. Still University and Assistant Dean of Continuing Medical Education at the Kirksville Osteopathic Medical Center/A.T. Still University. He serves as Vice Chair for the Certification Committee of American Osteopathic Association and has been Vice Chair and is currently Secretary to the American Osteopathic Board of Dermatology. He is a Past President of the Kirksville Osteopathic Alumni Association and a Past President of American Osteopathic College of Dermatology.

**Boris Ioffe, DO, FAOCD**

Dr. Boris Ioffe is a board-certified dermatologist practicing in Fort Worth, TX.

Dr. Ioffe earned his medical degree from Texas College of Osteopathic Medicine. He completed a traditional osteopathic internship at Plaza Medical Center in Fort Worth, TX. Dr. Ioffe completed his dermatology residency at Northeast Regional Medical Center in Duncanville, TX.

**Kevin Belasco, DO, FAOCD**

Dr. Kevin T. Belasco has fostered a lifelong interest in dermatology due partially to his fascination with the skin as a window into the body. His journey in becoming a Board Certified Dermatologist began upon receiving a BA in Molecular, Cellular, Developmental Biology from the University of California at Santa Cruz. He holds a Master of Science in Pharmacology from the University of Iowa College of Medicine and received his Doctor of Osteopathic Medicine at Touro University College of Osteopathic Medicine. He completed an internship in Internal Medicine at Sun Coast Hospital in Largo, Florida and then completed a Dermatology Residency at Sun Coast Hospital, Nova Southeastern University in Largo, Florida. Dr. Belasco has trained at numerous universities and medical centers throughout the United States, including Memorial Sloan-Kettering Cancer Center in New York City.

He is a member of the American Academy of Dermatology, American Osteopathic Association, National Psoriasis Foundation and the American Osteopathic College of Dermatology.

**Scott Wickless, DO, FAOCD**

Dr. Scott Wickless received his undergraduate degree from the University of Michigan-Ann Arbor, and subsequently received his medical degree from A.T. Still University Kirksville College of Osteopathic Medicine. He completed his internship at Henry Ford Hospital and his Dermatology residency at Michigan State University. Dr. Wickless then completed fellowship training in Dermatopathology and Cutaneous Oncology at Northwestern University Feinberg School of Medicine.

Dr. Wickless is board-certified in both Dermatology and Dermatopathology. He specializes in medical dermatology, skin cancer, and interpretation of skin biopsies. His dual certification allows better integration of clinical information with microscopic observations for the treating physician. He is a member of the American Society of Dermatopathology, International Society of Dermatopathology, American Osteopathic College of Dermatology and the American Academy of Dermatology. He has formerly served on peer-review teams for *The Lancet*, *Archives of Dermatology* and the *Journal of the American Academy of Dermatology*.

Dr. Wickless has served as clinical faculty at both Northwestern University and Loyola University in Chicago, IL, where he also functioned as Director of the Dermatopathology Unit at the Edward Hines, Jr. VA Hospital.

Dr. Wickless has authored multiple abstracts, textbooks and peer reviewed journal articles, including the *New England Journal of Medicine*, *Journal of the American Academy of Dermatology*, the *Journal of Cutaneous Pathology* and *Archives of Dermatology*.

**Sean Stephenson, DO, FAOCD**

Dr. Sean Stephenson is a board-certified dermatologist and dermatopathologist.

Dr. Stephenson received his Bachelor of Business Administration degree from the University of Michigan, graduating magna cum laude. He earned his medical degree from Michigan State University College of Osteopathic Medicine. He completed a traditional rotating internship at University Hospital Health Systems in Richmond Heights, OH. Dr. Stephenson completed his residency in dermatology at O'Bleness Memorial Hospital in Athens, OH. Following his dermatology residency, Dr. Stephenson completed a dermatopathology fellowship at the Ackerman Academy of Dermatopathology in New York, NY.

**Anthony Dixon, MD**

Dr. Dixon graduated Medical School from The University of Melbourne in 1982.

His interest in skin cancer dates from his junior resident days in 1983-1985. An ophthalmologist with a special interest in skin cancer on the eyelids taught Dr. Dixon the beginnings of management of skin cancer and the complexity of its treatment. His first experiences and training revolved around eyelid and nose skin cancers.

His interest, training and skills have developed since that time. He has a particular interest in large and/or difficult tumors in awkward areas of the face. A host of repair and reconstruction techniques are employed to close defects remaining after skin cancers are excised.

From a rural surgical background, now Dr. Dixon is exclusively focused on this important sub specialty area. It had been described as the area where dermatology and plastic surgery merge.

Dr. Dixon is involved in advanced post graduate skin cancer management training. He runs comprehensive training programs to assist doctors in their skills managing skin cancer. He is also involved in cutting edge research in skin cancer management. In particular, Dr. Dixon is involved in progressing new techniques in reconstruction following tumor excision.

His Ph.D. studies pertained to research on the complications of skin cancer surgery and their risk factors.

These original studies have been published in the major international journals, including the British Journal of Surgery, Dermatologic Surgery, British Journal of Dermatology, British Medical Journal, Journal of American Academy of Dermatology and the Journal of Plastic Reconstructive and Aesthetic Surgery.

Disclosures: Stock/Bond Holdings: Allmedic Pty. Ltd.

### **Thi Tran, DO, FAOCD**

Dr. Thi T. Tran graduated from Case Western Reserve University and received his medical degree from Ohio University College of Osteopathic Medicine. He completed his residency and post-graduate training in medical and surgical dermatology through Nova Southeastern University where he served as Chief Administrative Resident for dermatology. Dr. Tran is board certified in both dermatology and Mohs micrographic surgery by the American Osteopathic Board of Dermatology. He's a fellow of the American Osteopathic College of Dermatology and the American Society for Mohs Surgery.

Dr. Tran has been published in peer-reviewed dermatology journals and has been recognized with several national awards. In addition, he was featured in the Dermatology Times for his work in Mohs micrographic surgery and facial reconstructive repair for skin cancer surgery. Dr. Tran has also given multiple presentations and lectures at both the AOCD and the AAD national meetings on topics covering dermatopathology, medical dermatology, and Mohs micrographic surgery and reconstruction for the treatment of skin cancer.

Currently, Dr. Tran is the medical director at Village Dermatology & Cosmetic Surgery, LLC in the The Villages, FL where he founded the practice in 2004. The focus of the practice is on skin cancer prevention, diagnosis, and treatment with specialization in Mohs micrographic surgery and cosmetic facial reconstruction. He's also the co-founder and CEO of SOHI, LLC, an enterprise class medical software company with focus on end-to-end software development and deployment for dermatology and other medical specialties.
