

Breast Imaging Today

Screening & Problem Solving

Date

October 6-7, 2018

Location

Hilton Columbus at
Easton
Columbus, Ohio

Credit Information

15 CME Credits*

*May be claimed for AMA
PRA Category 1 credit™ or
AOA Category 1-A credit.

Course Description & Objectives

This CME Activity is designed for radiologists who interpret breast imaging as well as breast imaging specialists. Content will include screening mammography guidelines and controversies, breast density, new technological advances and interventional procedures in the management of breast diseases, targeted therapies in the management of breast cancer, and surgical approaches and tumor localization.

The course includes 15 credits in mammography that will satisfy the following MQSA and ACR Accreditation Requirements:

- Continuing education requirements for mammography
- Continuing education requirements for stereotactic core needle breast biopsy
- Continuing education requirements for ultrasound core needle breast biopsy

In addition, this course will include an interventional workshop in ultrasound guided biopsy of the breast.

At the conclusion of this live activity, participants will be able to:

- Articulate strategies to improve sensitivity and specificity in diagnosing breast cancer using full field digital mammography, digital breast tomosynthesis, ultrasound, and magnetic resonance imaging.
- Implement and optimize imaging protocols to improve diagnostic accuracy.
- Utilize knowledge of pathophysiological processes and their appearance on various breast imaging modalities to narrow differential considerations for key imaging findings.
- Implement strategies to improve awareness and adoption of appropriate breast cancer screening guidelines and management of dense breasts.
- Describe appropriate indications for image-guided breast procedures as well as management of potential complications.
- Compare and contrast methods of tumor localization and the effect on surgical planning.
- Describe current systemic therapy options for breast cancer based on histopathologic and molecular characteristics.

ACCME & AOA Accreditation

The AOCR is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AOCR designates this live activity for a maximum of 15 AMA PRA Category 1 credits™.

The AOCR is accredited by the American Osteopathic Association (AOA). The AOCR has approved this live CME activity for a maximum of 15 AOA Category 1-A credits.

Disclosure

It is the policy of the AOCR to comply with the ACCME Standards for Commercial Support of CME activities. All faculty participants in AOCR programs are required to disclose to the program audience any real or apparent conflict(s) of interest related to this meeting or its content. Faculty disclosure information is included in the course syllabus and will be disclosed by faculty as they present.

Program Schedule

Saturday, October 6

- 7:00 am On-Site Registration & Continental Breakfast
- 7:30 am Breast MRI: Technique, Interpretation, Implants & Interesting Cases
Rifat Wahab, DO
- 8:30 am Digital Breast Tomosynthesis: Mammography, Only Better
Alexis M. Smith, DO
- 9:30 am Breast Biopsy Procedures & Interesting Cases: From Stereo to MRI & Everything in Between
Rifat Wahab, DO
- 10:30 am Tomosynthesis Guided Core Biopsy of the Breast: The New Gold Standard?
Alexis M. Smith, DO
- 11:30 am Breast Density: A Hidden Risk Factor
Brandon A. Behjatnia, DO
- 12:30 pm Lunch on Your Own
- 1:30 pm Navigating the Nipple Areolar Complex: Anatomy, Normal Variants, Benign & Malignant Processes
Rifat Wahab, DO
- 2:30 pm Screening Mammography Guidelines: Are You Confused?
Brandon A. Behjatnia, DO
- 3:30 pm Diagnosing & Treating Breast Cancer: A Partnership Between Imaging & Surgery
Kristine L. Widders, MD
- 4:30 pm Ultrasound Breast Biopsy: Lesion Selection, Techniques & Pitfalls
Katherine A. Willer, DO
- 5:00 – 6:30 pm Hands-On Workshop: Ultrasound Guided Procedures
Katherine A. Willer, DO

Sunday, October 7

- 7:00 am On-Site Registration & Continental Breakfast
- 7:30 am How to Increase Your Specificity in Diagnostic Work
Alison L. Chetlen, DO
- 8:30 am Breast Imaging Consult Please! Challenging Breast Imaging Cases & Work-Ups
Rebecca T. Sivarajah, MD
- 9:30 am BI-RADS 3: To Follow or Not to Follow? That is the Question
Alison L. Chetlen, DO
- 10:30 am Breast Ultrasound Optimization & Case Conference
Rebecca T. Sivarajah, MD
- 11:30 am Integrating Targeted Therapies into Current Management of Breast Cancer
Monali Vasekar, MD

Faculty Listing

Susann Schetter, DO
Program Chair

Associate Professor, Department of Radiology
Division Chief of Breast Imaging
Penn State Health, Milton S. Hershey Medical Center
Hershey, Pennsylvania

Brandon A Behjatnia, DO

Medical Director & Women's Imaging Radiologist
Pembroke Pink Imaging
Pembroke Pines, Florida

Alison L. Chetlen, DO

Associate Professor, Department of Radiology, Division of Breast Imaging
Penn State Health, Milton S. Hershey Medical Center
Hershey, Pennsylvania

Rebecca T. Sivarajah, MD

Assistant Professor, Department of Radiology, Division of Breast Imaging
Penn State Health, Milton S. Hershey Medical Center
Hershey, Pennsylvania

Alexis M. Smith, DO

Director of Breast Imaging
Trinity Health System
Steubenville, Ohio

Monali Vasekar, MD

Assistant Professor, Department of Hematology/Oncology
Penn State Health, Milton S. Hershey Medical Center
Hershey, Pennsylvania

Rifat Wahab, DO

Assistant Professor, Breast Imaging Department of Radiology
University of Cincinnati Medical Center
Cincinnati, Ohio

Kristine L. Widders, DO

Associate Professor of Surgery, Division of Breast Surgery
Penn State Health, Milton S. Hershey Medical Center, Penn State Hershey Breast Center
Hershey, Pennsylvania

Katherine A. Willer, DO

Assistant Professor of Diagnostic Radiology, Upstate Medical University
Women's Imaging Section, Upstate University Hospital
Syracuse, New York
