Course Description

The 2021 “Top 3” Conference, sponsored by the American Osteopathic College of Radiology, is intended for practicing radiologists and radiology trainees as a comprehensive and practical case-based radiology review. All subspecialties and imaging modalities will be covered with lectures divided into the following sections: neuroimaging, musculoskeletal imaging, gastrointestinal imaging, genitourinary imaging, ultrasound imaging, cardiothoracic imaging, pediatric imaging, breast imaging, vascular & interventional radiology, and nuclear medicine. Lectures are provided by a distinguished group of faculty with a wealth of clinical and teaching experience, each covering the key clinical and imaging findings for differentials within common imaging gamuts, as well as characteristic “Aunt Minnie” cases. The use of audience response systems with integrated questions will allow for an engaging and interactive experience. Our goal is to provide attendees with a comprehensive gamut-based approach to image interpretation with helpful pearls to help distinguish between entities on a list of differential diagnoses.

Course Objectives

- Formulate gamut-based differential diagnoses for key imaging findings across all radiology subspecialties and imaging modalities.
- Distinguish amongst differential diagnoses based upon characteristic imaging findings.
- Recognize & identify diagnoses with classic imaging findings, in which there is no differential diagnosis.
- Implement and optimize imaging modalities and protocols to improve diagnostic accuracy.
- Recognize appropriate indications for image-guided interventional procedures, as well as management of potential complications.

ACCME & AOA Accreditation

The AOCR is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The AOCR designates this Other activity (blend of internet live and enduring material) for a maximum of 30 AMA PRA Category 1 credits™.

The AOCR is accredited by the American Osteopathic Association (AOA). The AOA has approved this CME Activity for 30 Category 1-A credits.

Disclosure

It is the policy of the AOCR to comply with the ACCME Standards for commercial support of CME Activities. All faculty participants in AOCR programs are required to disclose to the program audience any real or apparent conflict(s) of interest related to this meeting or its content. Faculty disclosure information is included in the course syllabus and will be disclosed by faculty as they present.
There is a built-in 5 minute transition time between lectures. All times are in the central time zone.

Program Faculty

Christopher A. Cerniglia, DO, ME, FAOCR
Chief, Division of Musculoskeletal Imaging & Intervention
Fellowship Program Director, Musculoskeletal Imaging
Associate Professor of Radiology
University of Massachusetts School of Medicine
Worcester, MA

Seetharam Chadalavada, MD, MS
Vice Chair of Radiology – Informatics
Director of Interventional Radiology
Medical Student Education
Associate Professor of Radiology (IR) & Surgery
University of Cincinnati Medical Center
Cincinnati, OH

Christine M. Glastonbury, MBBS
Professor of Radiology & Biomedical Imaging,
Otolaryngology-Head & Neck Surgery & Radiation Oncology
University of California San Francisco
School of Medicine
San Francisco, CA

Grant E. Lattin, Jr., MD
Abdominal Imaging, Senior Scientist
American Institute for Radiologic Pathology
Program Director, Diagnostic Radiology Residency & Body Imaging Fellowship
Walter Reed National Military Medical Center
Associate Professor, Department of Radiology & Radiological Sciences
Uniformed Services University
Bethesda, MD

John P. Lichtenberger III, MD
Associate Section Chief, Cardiothoracic Radiology,
American Institute for Radiologic Pathology
Chief of Thoracic Imaging,
The George Washington University Medical Faculty Associates
Washington, DC

Jennifer McCarty, MD
Assistant Professor of Radiology,
Neuroradiology Section
Department of Diagnostic & Interventional Imaging
McGovern Medical School at UTHealth
Houston, TX

Timothy A. McKnight, DO
Chief of Nuclear Medicine
Botsford Hospital
Farmington Hills, MI

Arnold Carlson Merrow, Jr., MD, FAAP
Associate Professor of Clinical Radiology
University of Cincinnati College of Medicine
Division Director, Emergency & Critical Care Imaging
Cincinnati Children’s Hospital Medical Center
Cincinnati, OH

William T. O’Brien, Sr. DO, FAOCR
Program Chair
Chief, Neuroradiology Director
Pediatric Neuroradiology Fellowship
Cincinnati Children’s Hospital Medical Center
Associate Professor of Radiology
University of Cincinnati College of Medicine
Cincinnati, OH

Rocky C. Saenz, DO, FAOCR
Chairman, Department of Radiology
Director of MRI
Assistant Program Director, Radiology Residency
Beaumont Farmington Hills, Botsford Campus
Clinical Assistant Professor
Michigan State University
Farmington Hills, MI

Lori M. Strachowski, MD
Clinical Professor
Department of Radiology & Biomedical Imaging
University of California San Francisco
School of Medicine
Chief of Ultrasound, Zuckerberg San Francisco General Hospital and Trauma Center
San Francisco, CA

Rifat A. Wahab, DO
Breast Imaging Fellowship Director
Assistant Professor, Breast Imaging
Department of Radiology
University of Cincinnati Medical Center
Cincinnati, OH

Lily Wang, MBBS
Assistant Professor of Radiology
University of Cincinnati Medical Center
Cincinnati, OH
