FAQ: Cancellation of Imaging the Acute & Critical Patient

What options do I have regarding my registration fee that was paid for this course?
Registrants will have two options:

1. Receive a full refund
2. Transfer registration funds to one of the following two (2) AOCR CME Conferences:

   **Imaging of Children, Adolescents & Young Adults: Radiologic & Clinical Perspectives in a New Decade**
   September 4-6, 2020
   Offering 16-18 CME Credits
   Sheraton Kansas City at Crown Center
   Kansas City, Missouri

   **Top 3 Differentials in Radiology**
   May 3-7, 2021
   Offering a minimum of 30 CME Credits
   The Wigwam
   Litchfield Park, Arizona

Registrants must notify the AOCR office of their preference via email to info@aocr.org by April 15, 2020.

What will happen with the Imaging the Acute & Critical Patient program and lectures?
This program will be moved to our 2022 Annual Convention slot. Daniel Huddle, DO, Program Chair, worked countless hours putting together a great group of speakers and lectures on a topic that is in high demand among radiologists. We know that the program will be well received in 2022 and we hope to see you all there!

I am in need of CME hours before the end of the year. What can the AOCR do to help me obtain these hours with the absence of this program?
The AOCR will be opening up a one-week special within our online learning library, giving radiologists access to AOA Category 1-A & 1-B credits, including several SAMs, at a reduced rate (*FYI – all of our AOA Category 1-A on-demand courses are approved for AMA PRA Category 1 CME credit as well*). **This one-week special will span May 4-8, 2020.** Learners may purchase on-demand webinars or JAOCR quizzes during this time to receive the reduced rate – the activities purchased during this time may be completed at a later date, if preferred. [Click here to check out the online learning library now.](#)

How do I cancel my travel arrangements?

**Group Hotel Reservations**
The conference hotel has stated they will cancel all lodging reservations made within the AOCR room block. You may contact the hotel directly to confirm cancellations at 813-204-3000. Please note that reservations made outside of the AOCR room block or at alternate hotels must be cancelled separately by registrants.

**Airline Reservations**
If you purchased travel insurance, please contact your provider for information and how to proceed. Many airlines are either waiving cancellation fees or offering full refunds. Please contact your airline to see if your ticket qualifies for either. We sincerely apologize for any inconvenience that this may cause you.
My research exhibit was accepted for presentation at the 2020 Annual Convention. Will I still be able to present my work?

The decision has been made to move the presentation of exhibits to the Mid Year Meeting in Kansas City, September 4th-6th, 2020. Everyone will be assigned a new date and time for Q&A/presentation, and further details will be provided closer to the meeting.

While we encourage everyone to attend, we understand that circumstances may not allow this with the vast scheduling changes already occurring. The requirement for each author (or designated representative) to attend the meeting will be *waived* for the Mid Year Meeting in Kansas City.
