

About Us

The Journal of the Association of Physician Assistants in Cardiothoracic and Vascular Surgery (JAPACVS) is a quarterly online Journal, which publishes original research work that keeps members of the APACVS informed of research and the latest surgical and medical techniques associated with the care of cardiac, thoracic and vascular surgery patients. Researchers may submit (1) Original Clinical or Original Experimental Research Articles (2) Case reports (3) Contemporary Reviews (4) Creative Concepts (5) Images (6) Editorial Commentary and (7) Historical Vignette in the following disciplines:

Cardiac Surgery

Vascular Surgery

Thoracic Surgery

CVT Critical Care

Manuscripts will be subjected to peer review process to determine their suitability for publication in accordance with the given instructions to authors. After the review, manuscripts will be returned for revision along with reviewer's and/or editor's comments (if any). Decision on your article will be taken on the basis of comments from reviewers and this duration will not exceed more than 7 days. Preference will be given to the early and significant submissions.

Editor-In-Chief

David J. Bunnell, MSHS, PA-C
