2014-2015 Annual Report of the Committee on the Status of Black Philosophers (CSBP)
Submitted by Tina Fernandes Botts, Chair, 2013 – 2016
Date of Report: October 21, 2015

The Committee on the Status of Black Philosophers was engaged in the following committee business in 2014-2015:

- **Listserv.** Our listserv continues to serve 155 black philosophers. The listserv updates black philosophers about job announcements and other news of interest to black philosophers.
- **Global Outreach:** Nathaniel Tobias Coleman has been engaged in numerous international projects, including conferences and activism on behalf of black philosophers, in the United Kingdom.
- **Newletter:** The committee modified the procedures and practices of our newsletter, *Philosophy and the Black Experience*, so as to be more in line with the APA's Statement on Best Practices in Journal Publishing. Tina Botts became the managing editor of the newsletter. Three new co-editors were appointed for the newsletter: Tina Botts, Timothy Golden, and Stephen Ferguson. Much appreciation was extended to Professors George Yancy and John McClendon for their dedicated and conscientious service as the previous co-editors of the newsletter.
- **Web Presence:**
 - **Website.** A committee website (to operate as a companion to the official APA website) was created and set up.
 - **Underrepresented Philosophers Directory.** The committee participated in the creation of the directory, now live at <http://www.theupdirectory.com/>.
- **Climate Studies:**
 - **Empirical Study.** The committee received an APA grant of \$945.00 to complete part II of "What is the State of Blacks in Philosophy?", part I of which was published in *Critical Philosophy of Race*, Volume 2, Issue 2, 2014. The committee received an extension until the end of summer 2016 to complete part II of this study.
- **Programming:**
 - **Book Launch.** The committee received a \$500 grant from the APA to cover the costs of a book launch at the 2014 Eastern APA. Together with the Society for Phenomenology and Existential Philosophy (Falguni Sheth), the committee organized and hosted the book launch/SPEP reception. Two books were featured: George Yancy's *Reframing the Practice of Philosophy* and Paul Taylor's edited volume, *The Philosophy of Race*.
 - **Joyce Mitchell Cook Award.** The committee received a \$200 grant to create the Joyce Mitchell Cook award, a biennial award created in honor of Joyce Mitchell Cook, the first black woman to receive a Ph.D. in philosophy in the United States. The award recognizes a book written by a trailblazing black woman philosopher. The inaugural Joyce Mitchell Cook Award was presented to Kathryn Gines at the 2014 Eastern APA.
 - **APA Sessions/Panels:**
 - **January 2016 Eastern:** The committee has two book panels and one regular panel planned for the January 2016 Eastern APA.
- **Essay Prize** (This is an item the committee will revisit at a later date.)
- **Codifying the Committee's Rules** (This is an item the committee will revisit at a later date.)
- **Interfacing with other Committees**
 - In 2014-2015, the committee interfaced with the Society of Young Black Philosophers, Minorities and Philosophy (MAP), and the Society for Phenomenology and Existential Philosophy to complete various projects.
