Dear Amy,

The Committee on the Status and Future of the Profession has been running a subcommittee on interview best practices which has been drafted and presented to the Board twice this year, and will be presented again at the November board meeting.

The Committee also considered and provided feedback to the National Office on a variety of small grant proposals. In addition, the Chair provided feedback on several requests for funds.

Sally Scholz is the new Chair of the Committee and she will be able to provide information on the Committee's activities as of July 1, 2015.

Sincerely,

Julia Driver

Former Chair, Committee on the Status and Future of the Profession
