4. At the World Congress of Philosophy held in Seoul Korea, August 2008 former CIC chair Ernie Lepore chaired the philosophy of language section along with Professor Sun-Joo Shin of Yale University. There was also a Round Table Discussion of Contemporary Issues in Philosophy of Language with Professor Ernie Lepore (Rutgers University), Jeff
5. The Committee has revived its web page on the APA site, adding information about financial aid available for international activities including research funding for U.S. scholars, created links to overseas philosophical associations, and listed overseas philosophers visiting the U.S.A. Due to diminished interest and the editor’s desire to retire, the CIC newsletter has been discontinued.

6. On behalf of the Committee, the Chair would like to thank the National Office for help in various matters, financial and organizational.
