The Committee on Non-Academic Careers has been working on and will produce a website geared toward undergraduates considering a degree in philosophy. This website will feature advice and suggestions from successful non-academic philosophers in the working world. The timeline for release is still being developed, but will occur in the next few months. The first iteration will be built with the intention that future committees can expand upon it if they desire.

Respectfully Submitted:
Mary Helen Berk, Chair (2008 – 2009)
