IMPORTANT NOTICES FOR MEETING ATTENDEES

SESSION LOCATIONS

Please note: this online version of the program does not include session locations. The locations of all individual sessions will be included in the paper program that you will receive when you pick up your registration materials at the meeting (if you opted to receive a paper program) as well as in the meeting app beginning the first day of the meeting.

IMPORTANT INFORMATION ABOUT REGISTRATION

Please note: it costs \$50 less to register in advance than to register at the meeting. Early bird registration at www.apaonline.org is available until February 12 at 11:59 p.m. Eastern Time. ***Online registration will be closed from February 13 until February 26.*** Beginning on February 26, registration will reopen, and you may register online or at the meeting registration desk.

Registration fees provide the major source of support for every divisional meeting. Without that income, the APA is unable to host meetings and provide quality services and resources to members. Thank you for your support and cooperation.

PRONOUN STICKERS

As a show of the APA's commitment to diversity and inclusion, we will provide pronoun stickers for your name badge, including blank stickers that will allow you to use a pronoun of your own choosing. Stickers will be available for pickup at registration and can easily be worn as a show of solidarity, and a means of making our annual conference a friendly and safe environment for all.

GENDER-NEUTRAL BATHROOMS AND QUIET ROOM

A gender-neutral bathroom and a quiet room will be available at the Palmer House Hilton. A key for the quiet room is available at the registration desk.

MEETING HASHTAG

The hashtag for the 2020 Central Division meeting is #APACentral20.

Acknowledgment of Right Relationship and Open Dialogue

A Statement of the APA Committee on Native American and Indigenous Philosophers

Obligation: The American Philosophical Association Committee on Native American and Indigenous Philosophers wishes to underscore that we as philosophers have an obligation to acknowledge and address situations in which the rights of others are, have been, or continue to be disregarded.

Context: The American Philosophical Association owes its existence and success not only to those special founding members, but also to the vitality of generations around the globe whose hopes, dreams and energies have created a constellation of historical relationships in the Americas. Some of these generations have left distant lands for many reasons, some brought against their will, and some having lived here for more generations than can be counted. These latter include the current five hundred sixty-seven (567) federally recognized Indian Nations, and state recognized tribes, and bands, pueblos, communities, and native villages, some stretching across America's northern and southern boundaries.

Committee Specificity: Although we recognize abuses against and debts owed to many groups, especially those for which the APA maintains diversity committees, this statement focuses on disregard for the rights of native and indigenous peoples and perpetration of harms against them, which are on a scale that approaches cultural erasure.

Acknowledgment: The American Philosophical Association acknowledges and pays respect to the indigenous people upon whose ancestral lands this conference is being held. We recognize that the rights of native and indigenous people and nations have been and continue to be denied and violated, and we honor with gratitude the land itself and the people who have stewarded it throughout the generations.

Truth: The APA Committee on Native American and Indigenous Philosophers affirms that building mutual respect across barriers of heritage and difference is often made possible by honoring truth. Honoring America's Indigenous truth means acknowledging that human violence,

displacement, migration and settlement have created legacies of distrust. Yet truth and trust are critical to building mutual respect for our common connections across all barriers of difference.

Recognition: The APA Committee on Native American and Indigenous Philosophers emphasizes the importance of acknowledging the often-erased history, overlooked debt, frequently contested and forgotten contributions of traditional indigenous philosophical heritage, and traditional stewardship and stewards of our ancestral lands throughout the past and present. The committee respectfully acknowledges that we exist on a land debt, that this event is taking place on the traditional ancestral lands of Indigenous Native Americans, in the context of the discipline of philosophy's traditional indigenous philosophical heritage, and pays honor to this past and present history, philosophy, and elders.

The AAPT-APA Teaching Hub

The American Association of Philosophy Teachers (AAPT) and the American Philosophical Association Committee on the Teaching of Philosophy (CTP) have co-organized a two-day conference on teaching for the 2020 Central Division meeting. We are aiming to bring the collegial and supportive culture of the AAPT to the APA; highlight teaching within the context of an APA meeting; stretch beyond the traditional APA session format to offer sessions that model active learning; and attract a broader range of philosophers to the divisional meetings.
