The American Philosophical Association
EASTERN DIVISION
ONE HUNDRED EIGHTEENTH
ANNUAL MEETING
PROGRAM

BALTIMORE MARRIOTT WATERFRONT

BALTIMORE, MARYLAND

JANUARY 5 – 8, 2022
IMPORTANT NOTICES FOR MEETING ATTENDEES

The 2022 Eastern Division meeting will be held in person, along with a virtual component. The in-person portion of the meeting will take place January 5–8, 2022. Dates and times for the virtual component of the meeting, which will likely be held in the week following the in-person meeting, will be announced in the coming weeks.

INFORMATION ABOUT THE DUAL MEETING FORMAT

All in-person participants are required to be fully vaccinated against COVID-19 and to certify their vaccination status at the time of registration. Masks will be required for all in-person meeting events.

The in-person portion of the meeting will include a presidential address, prize lectures, colloquia, symposia, invited sessions, and affiliated group and APA committee sessions. These will be held at the Baltimore Marriott Waterfront in Baltimore, MD. In-person sessions will not be live-streamed, but recorded versions of select lectures and addresses from the in-person portion of the meeting will be offered as part of the virtual component of the meeting.

The virtual component of the meeting will include the same types of events and sessions as in-person meetings. These events will be held via Zoom. Unless presenters opt out, meeting sessions will be recorded and the recordings will be available for registrants to view for one year following the meeting. To present or actively participate in virtual sessions, you will need a computer, smartphone, or tablet with a camera, microphone, and internet access (ideally, high-speed internet access). To view session recordings, you only need a computer, smartphone, or tablet that can play videos. More information about the virtual component of the meeting will be provided in the coming weeks.

Session times and details in this draft program are subject to change based on requests for sessions/papers to be moved to the virtual component of the meeting.
IMPORTANT INFORMATION ABOUT REGISTRATION

Registration at www.apaonline.org is open. The registration rate for the meeting will include access to both in-person and virtual sessions so that registrants can participate in sessions in the format(s) that work(s) best for them.

The American Association of Philosophy Teachers (AAPT) and the American Philosophical Association Committee on the Teaching of Philosophy (CTP) have co-organized a two-day conference on teaching for the 2022 Eastern Division meeting. We are aiming to bring the collegial and supportive culture of the AAPT to the APA; highlight teaching within the context of an APA meeting; stretch beyond the traditional APA session format to offer sessions that model active learning; and attract a broader range of philosophers to the divisional meetings.
