ACKNOWLEDGEMENT

The Pacific Division of the American Philosophical Association acknowledges that it meets this year on the unceded, traditional territory of the Musqueam, Squamish, and Tsleil-Waututh First Nations. ***The Immigration, Refugees, and Citizenship Canada Special Event Code for this event is: 19TAPA.***

SESSION LOCATIONS

Please note: this online version of the program does not include session locations. The locations of all individual sessions will be included in the paper program that you will receive when you pick up your registration materials at the meeting (if you opted to receive a paper program) as well as in the meeting app beginning the first day of the meeting.

IMPORTANT INFORMATION ABOUT REGISTRATION

Please note: it costs $50 less to register in advance than to register at the meeting. Early bird registration at www.apaonline.org is available until April 3 at 11:59 p.m. Eastern Time. ***Online registration will be closed from April 4 until April 17.*** Beginning on April 17, registration will reopen, and you may register online or at the meeting registration desk. Registration fees provide the major source of support for every divisional meeting. Without that income, the APA is unable to host meetings and provide quality services and resources to members. Thank you for your support and cooperation.

PRONOUN STICKERS

As a show of the APA's commitment to diversity and inclusion, we will provide pronoun stickers for your name badge, including blank stickers that will allow you to use a pronoun of your own choosing. Stickers will be available for pickup at registration and can easily be worn as a show of solidarity, and a means of making our annual conference a friendly and safe environment for all.

GENDER-NEUTRAL BATHROOMS AND QUIET ROOM

A gender-neutral bathroom will be available in the meeting hotel. A key for the quiet room is available at the registration desk.

The AAPT-APA Teaching Hub

The American Association of Philosophy Teachers (AAPT) and the American Philosophical Association Committee on the Teaching of Philosophy (CTP) have co-organized a two-day conference on teaching for the 2019 Pacific Division meeting. We are aiming to bring the collegial and supportive culture of the AAPT to the APA; highlight teaching within the context of an APA meeting; stretch beyond the traditional APA session format to offer sessions that model active learning; and attract a broader range of philosophers to the divisional meetings.

Journal of the
American Philosophical Association

Appearing quarterly in print and online, the *Journal of the American Philosophical Association* provides a platform for original work in all areas of philosophy.

The *Journal* is committed to publishing:

- Papers that go out on a limb, papers that start trends rather than merely adding epicycles to going trends.
- Papers from early-career philosophers as well as established philosophers already recognized for their work.
- Papers on topics that draw from and appeal to diverse philosophical constituencies and traditions.
- Readable papers that can be appreciated by philosophers not already steeped in the subject matter.
