

Volunteer to Give a Little Free Advice

No, APA cannot get enough free advice. We are dependent on members like you volunteering your time to advise us on critical issues. If you have an interest in Legislative Issues, Public Affairs or Membership growth, this is your chance to shine while serving your profession. If you have wanted to become more involved in your professional association, but have been reluctant due to time constraints, this is the perfect opportunity for you. Every effort will be made to minimize the time required to be involved. For example, the majority (if not all) of the committee meetings will be held via conference call and E-mail will be utilized for most communications. The APA Constitution and Bylaws specify that Standing Committees shall meet as often as necessary to complete their work. Most committee meetings last less than thirty minutes.

If you are interested in getting involved, please indicate below and send the form to the APA office. Simply mark the committee(s) in which you would like to participate and fax to (334) 271-5423. There is no limit to the number of committees on which any one member may serve so please feel free to choose as many as interest you. **Please contact Charlotte Noble at (334) 271-4222 with any questions.**

I would like to serve on the following committee(s) for the term beginning June 2018 through June 2019:

_____ **Educational Affairs** - helps plan all APA educational program events

_____ **Membership/Member Benefits** - assists in promoting membership through recruiting campaigns at a grassroots level and advises staff on membership related issues. The Committee looks at on-going programs and assists with developing new programs to benefit APA members.

_____ **Nominations** - solicits nominations for APA awards; determines slate of candidates for Board office positions

_____ **Organizational Affairs** - addresses issues concerning the structure and other operational aspects of the Association

“Volunteering can be an exciting, growing, enjoyable experience. It is truly gratifying to serve a cause, practice one’s ideals, work with people, solve problems, see benefits, and know one had a hand in them.”

- Harriet Naylor
