

The Organizational Affairs Committee is proposing the following Bylaw amendments for consideration of the 2019 House of Delegates:

Selection of State Board of Pharmacy Nominees:

Chapter VI, Article II, – Nominations and Selection. On or before August 1, 1994, and each five years thereafter, or whenever a vacancy occurs in the designated position for a chain pharmacist, the ASSOCIATION shall submit a list of three (3) nominees to the Governor. The Board of Trustees of the ASSOCIATION shall select a committee of five (5) chain pharmacists who are members of the ASSOCIATION to serve as a Selection Committee. No more than ~~one (1)~~ two (2) pharmacists from any particular chain shall serve on the Selection Committee. No one on the committee shall be a candidate. Individuals and companies may submit the names of chain pharmacists actively engaged in the practice of pharmacy, or pharmacy administration, or both and who have been licensed to practice pharmacy in Alabama for a minimum of five (5) years.

This revision will account for mergers of chain companies in the event that less than five distinct chains are operating within Alabama.

Awards Committee member terms:

Chapter V, Article I, B. – The Awards Committee membership shall be appointed by the Board of Trustees and shall be comprised of seven (7) members, one of which shall be an ASSOCIATION Past President, and the remaining six members shall be current members reflective of the diversity of the membership. All members of the Awards Committee must have been a member in good standing for a minimum of three (3) years prior to appointment. Awards Committee members shall serve a term of ~~two (2)~~ three (3) years with the exception of the Past President member who shall serve a term of one (1) year. Terms of the remaining six members shall be staggered to balance continuity with new perspective.

This revision will ensure that the terms for members of the Awards Committee are long enough to ensure consistency and will allow for better staggering of the member's terms.
