## APA Scholarship Foundation Endowment Campaign

In October of 1943, the Executive Board of the Alabama Pharmacy Association established a charitable or benevolent trust known as its Scholarship Foundation. Since that time, the generosity of APA members has aided many worthy young men and women to pursue their dream and obtain a pharmaceutical education.

In the continuance of these efforts we announced a campaign in 2012 to raise enough funds to secure Endowment level funding for the Scholarship Foundation. Your participation will be a determining factor in reaching this goal and we hope you will consider a gift today. All donations are 100% tax-deductible and should be made to the APA Scholarship Foundation.

Your campaign contributor category will be determined by your *cumulative* campaign support.
