

The Voice of Pharmacy in Alabama!

APA Legislative Tree – Get Involved!

One of the most important things that the Alabama Pharmacy Association (APA) does for you as a member is to provide representation before State and Federal elected officials. We need your help! APA has developed a Legislative Tree and is in the process of identifying members who have key relationships and close ties with elected officials in Alabama and Washington. We are hoping to locate several members to serve as contacts with each member of the AL Legislature and with the AL federal officials. If you have a professional relationship as their pharmacist, or have a personal friendship or family tie with any State legislator or U.S. Congressman/Senator, we need to know. You may have gone to school with them, go to church with them, or even golf with them. These relationships can help pharmacy!

Just complete the profile below and return it to APA, 1211 Carmichael Way, Montgomery, AL 36106, or Fax 334-271-5423. If you have any questions about this program, call Louise Jones at 334-271-4222 or email: ljones@aparx.org.
