

As an APA member, your input is critical in determining the association's legislative priorities for upcoming sessions. Please take a moment and tell us what you want to see APA work on the most.

Please rank the following with 1 being your highest priority:

\_\_\_\_\_ Ban mandatory Mail-Order Pharmacy

\_\_\_\_\_ Restructure State Board of Health to include additional healthcare providers such as pharmacists.

\_\_\_\_\_ Provide scholarship or tax credit for pharmacists who are willing to practice in underserved or rural areas of the state.

\_\_\_\_\_ Collaborative Practice - Authorize pharmacists to enter into collaborative practice agreements with physicians.

\_\_\_\_\_ Provision that a pharmacy can't be required to accept reimbursement below cost and that patients can be informed of cost without insurance.

\_\_\_\_\_ PBM Audit Practices

\_\_\_\_\_ Pharmacy Business License Fee - Prohibit municipalities from including prescription sales in the calculation of pharmacy business license fees.

\_\_\_\_\_ Other
