ASSOCIATED PROFESSIONAL EDUCATORS OF LOUISIANA

A+PEL's foundation stands in support of teachers and other school employees impacted by Hurricane Laura. We share your devastation about the Hurricane's effects and concern about education in the wake of Laura and the additional complication of COVID-19. As such, we are providing grants to schools, classrooms, and individual teachers to replace instructional materials and supplies damaged during Hurricane Laura and her aftermath.

Any and all educators impacted by the storm are eligible. You do not have to be an A+PEL member to apply. We will review all applications and award as many grants as possible.

If you or your school has been impacted, please fill out the following contact form:

Each and every one of you is valued and important, and A+PEL is here to support you during this difficult time. Thank you for everything you do as educators.

In support and solidarity,

Dr. Keith Courville
Executive Director
Associated Professional Educators of Louisiana
