

Foundation Exam Update

Why has APMP Updated Foundation Program?

APMP updated the program to create a more universal approach that reflects the diversity of our profession. The new *APMP Body of Knowledge* and *APMP Glossary of Terms* document best practices and define key terms as well as industry- and region-specific variants. This new, standard terminology makes APMP more accessible to proposal professionals worldwide.

APMP also examined certification competencies and updated them to reflect new and emerging trends. Three new competencies were added:

- Persuasive Writing
- Graphics and Action Captions
- Virtual Team Management

The new program is being phased in to allow individuals who have begun preparing for the old exam until April 31, 2016 to compete the exam. Individuals who have not begun to prepare or want to qualify using the new exam can take the new exam online now. ATOs may offer courses in both exams until April 1, 2016. After that time, only the new exam will be available.

Members who have been previously certified will not be affected by this transition.

Is there a new Foundation Exam?

A new exam will replace the old on April 30, 2016. The new exam is available online now at www.apmg-exams.com.

APMP will offer both the new and legacy exams until April 30, 2016. After April 30, 2016, only the new exam will be offered.

How do I prepare for new Foundation Exam?

Professionals preparing for the new exam should rely on the *APMP Study Guide (APMP BOK Edition)*, available in the APMP Store, and *APMP Glossary of Terms*. The *Glossary* provides significant guidance to the exam's updated terminology. ATOs may begin offering courses designed for the new exam immediately.

The *APMP Foundation Study Guide (APMP BOK Edition)* replaces the earlier APMP Proposal Guide based on the *Shipley Proposal Guide, 3rd Edition*. APMP used the *Shipley Proposal Guide* as the reference for its original certification program.

Foundation Exam Update

Until April 30, professionals can qualify under the old exam, undergo preparatory training for the old exam with ATOs, and purchase the old *APMP Foundation Study Guide* (based on the Shipley Proposal Guide, 3rd Edition) at the APMP Store.
