APSHO
The Oncology/Hematology Society
FOR YOU
What is APSHO?

• APSHO is a society of like-minded professionals devoted to the quality care of patients with cancer.

• We are the only society dedicated to supporting the professional development of all oncology advanced practitioners, crucial members of the multidisciplinary healthcare team.
  • Nurse practitioners
  • Physician assistants
  • Clinical nurse specialists
  • Advanced degree nurses
  • Pharmacists
  • Physicians

• We provide the tools to connect, share, and engage with a community of oncology professionals committed to their patients and collaborative teams.
