INTRODUCTION

Statement of the problem or performance improvement project and any essential background.

Specific aims and objectives: List 2-3 behavioral objectives, these objectives must be listed on the poster for evaluation purposes for continuing education hours.

METHODS

Describe with appropriate details to facilitate study or project replication.

- Succinct description
- Phrases, not sentence
- Active voice

RESULTS

Use this valuable real estate for eye catching visuals.

- Plan ahead
- Organize resources
- Select Content
- Use graphs
- Photographs
- Drawings
- Illustrations
- Radiographs
- Use tables sparingly and keep them simple
- Tempt the eye
- Edit ruthlessly
- Review, review, review!!!
- Be interactive and engaging

CONCLUSION

Interpret, but do not repeat findings.

Limit conclusions to 2-3 bulleted sentence, supported by 2 findings.

Limitations

Future Directions and /or Implications to Practice
