Jennifer Simonetti, RN, MSN, CPN
Cohens Children’s Medical Center, New Hyde Park, NY

CONFERENCE OBJECTIVES

This conference program has been developed through a call for abstracts and peer review process informed by past conference evaluations, listserv discussions, strategic initiatives and learning outcomes below. By the end of the conference, the learner will be better able to:

- Explore opportunities for pediatric surgical nurses to infuse theoretical and clinical knowledge into administration, education, practice, research and policy.
- Provide opportunities to promote the advancement of pediatric surgical nursing.
- Create avenues for networking and mentoring among pediatric surgical nursing colleagues.
- Optimize patient care through exposure to innovative research and leading evidence-based practice.
- Acknowledge the importance of collaborative and inclusive pediatric surgical sub-specialty practice.
WELCOME FROM THE APSNA PRESIDENT

On behalf of our Board of Directors it is my great privilege to welcome you to APSNA’s 28th Annual Scientific meeting in Boston, Massachusetts at the Boston Marriott Copley Place centrally located near shopping and local restaurants. This year I would like to take the opportunity to highlight the conference booklet that you will receive onsite. Now in the second year of publication you will find essential conference details provided in a concise, easy to follow pocket sized booklet.

We sincerely hope you enjoy this year’s conference offerings. We have an exceptional panel of poster and podium presenters that bring the latest developments in pediatric surgical patient care to inform your practice. In addition to the main conference agenda we offer a Surgical Subspecialty Symposium, Round Table presentations, Committee and Special Interest Group meetings and the opportunity to meet with our Partners in industry whose up to date products will help you stay current in your practice. With all of these activities we strive to fulfill our VISION that all pediatric surgical patients will receive the highest quality nursing care that is patient and family centered and MISSION to promote excellence in pediatric surgical nursing practice through educational offerings, nursing research, professional collaboration, and peer support.

Please join us in Boston to relax, network, learn from the experts, share your stories and meet new friends.

Barb Bratton MSN, PNP-BC
APSNA President 2017-2019

MEET THE 2018 - 2019 APSNA BOARD OF DIRECTORS
WHO SHOULD ATTEND

The 28th Annual Scientific Conference is designed for health care leaders and professionals working in pediatric surgical settings, including:

- Advance Practice Nurses
- Bedside nurses, clinic nurses, operating room nurses, neonatal nurses, nurse managers, and nurse educators
- Physician Assistants
- Pediatric Surgical Subspecialty professionals
- Behavioral health professionals
- Home care professionals

The content of this conference is designed to meet your specific needs, from the novice to more experienced veterans in the field.

Typically, this conference draws health leaders and professionals from the following types of practice settings, working in the following roles:

<table>
<thead>
<tr>
<th>Practice Setting</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Operating Room</td>
<td>6%</td>
</tr>
<tr>
<td>Outpatient</td>
<td>34%</td>
</tr>
<tr>
<td>Combined</td>
<td>21%</td>
</tr>
<tr>
<td>Inpatient</td>
<td>40%</td>
</tr>
</tbody>
</table>

Professional Profile - 2018 Conference

- 60% Registered Nurse
- 18% Clinical Nurse Specialist
- 17% Nurse Educator
- 5% Faculty
- 3% NP
- 2% Staff Nurse
- 1% OR Nurse
- 1% PA
- 1% Other
- 6% Administrator

PAPERLESS CONFERENCE

Internet service will be available in the conference rooms/meeting space of the conference center. Registrants will be able to access and view the handout materials before the annual conference, beginning early in April 2019. APSNA will not print out paper handouts of speakers’ presentations. Please note that materials are posted to the APSNA Website after they are received from the presenters. Not all sessions may have handouts. After the conference, the presentations will remain online for 3 months.

CONFERENCE EVALUATION

APSNA offers its conference evaluation in an online format. The online evaluation can be completed during the conference or after attendees have returned home. Participants will receive their CE certification immediately when they submit their evaluations online.

We encourage all attendees to complete this evaluation regardless of whether or not they are seeking CE credits.

Conference evaluations will be available for completion online until June 30, 2019.

WHY SHOULD YOU ATTEND

- 95% of last year’s attendees stated that the APSNA conference will influence their practice. In addition,
- 93% would recommend this conference to their colleagues
- 34% of attendees joined APSNA during the conference period
- 94% said that their professional needs were met

As the leading meeting of the pediatric surgical nursing community, this meeting provides several exceptional and engaging educational opportunities for you to:

- interact with the best and brightest in pediatric surgical nursing care,
- translate scientific discoveries into clinical practice,
- network with colleagues across settings and disciplines,
- learn about policy issues that directly affect you,
- raise questions, debate the implications, plan follow-up studies, and discuss results,
- discuss your own research and clinical observations,
- meet with poster presenters to learn about their thinking and future research directions, and visit a number of exhibit booths featuring products and services specifically designed for professionals who work with the pediatric surgical patient.

// Overall, 2018 conference talks were great and conference venue was very nice! Excellent conference!
CONTINUING EDUCATION CREDIT

The program is not yet approved for contact hours. Conference organizers plan to request 11.5 NAPNAP CE contact hours (for Annual Conference) and 3.5 NAPNAP CE contact hours (for Conference Symposium) per the National Association of Pediatric Nurse Practitioners Continuing Education.

This program is not yet approved for CME credit. Conference organizers plan to request 20.3 AAPA Category 1 CME credits from the American Academy of Physician Assistants - Physician Assistant Review Panel. Total number of approved credits yet to be determined.

Pharmacology and Trauma credits yet to be determined.

Conference evaluations will be available for completion online until June 30, 2019.

EXHIBITS

The APSNA 28th Annual Scientific Conference will feature exhibitor booths that display products and services specifically designed for leaders in the field of pediatric surgical nursing. By visiting the Exhibit Hall, you will experience the technology, products, and services that can help you manage your professional goals, strategic objectives, and keep you and your organization at the forefront of pediatric surgical care delivery.

For a current list of exhibitors and sponsors, please visit the APSNA Exhibitor Page www.apsna.org/page/2019Exhibitor

POSTERS

The 28th APSNA Annual Scientific Conference will feature posters displaying innovation and research in the study and treatment of pediatric surgical patients as well as informative case studies. Presenters will be on hand to discuss their posters and answer questions during the Poster Author Sessions. Conference attendees will be able to vote for three posters they deem most influential to their practice. Cash prizes will be awarded. Winning posters will be included in a future edition of the Journal of Pediatric Surgical Nursing, the official journal of APSNA.

EXHIBIT AND POSTER SCHEDULE*

Exhibitors must be present during exhibit hours. Poster authors must be present during author sessions.

THURSDAY, MAY 16
6:00 p.m. – 8:00 p.m. Welcome Reception (all Industry Partners welcome)
6:15 p.m. – 7:15 p.m. Poster Author Session

FRIDAY, MAY 17
7 a.m. – 7:45 a.m. During continental breakfast
8:45 a.m. – 9:15 a.m. During break
10:15 a.m. – 10:30 a.m. During break
2:30 – 3:30 p.m. Poster Author Session

SATURDAY, MAY 18
6:30 a.m. – 7 a.m. During continental breakfast
9 a.m. – 9:30 a.m. During break
10:45 a.m. – 11:00 a.m. During break
3:00 p.m. – 4:30 p.m. During break

*Subject to change.

CREDITS, EXHIBITS & POSTERS

The conference was great!

### SURGICAL SUBSPECIALTY SYMPOSIUM

The following is an extra-cost event and is not included in the Annual Meeting registration fee. Preregistration is required.

**Surgical Subspecialty Symposium: SSS**

#### 1:00 PM – 2:30 PM:

**Case Presentation #1 –**

Newborn and Long-Term Urologic Care of the Spina Bifida Patient.
Liza Aguilar, MD, Pediatric Urologist, Brown Urology
Rebecca Sherlock, RN, MSN, PNP-BC Clinical Coordinator, Center for Spina Bifida & Spinal Cord Conditions, Boston Children's Hospital

#### 2:45 PM – 4:45 PM:

**Case Presentation #2 –**

Pediatric Surgical Care of Patient with Anorectal Malformation, Associated VACTERL Anomaly and Cardiac Defects.
Britta Renzulli, PA-C, Pediatric Surgery Physician Assistant, University Surgical Associates/Hasbro Children's Hospital
Patricia O'Brien, MSN, CPNP-AC, Nurse Practitioner, Cardiology, Boston Children’s Hospital

### CONFERENCE SCHEDULE – FRIDAY, MAY 17, 2019

<table>
<thead>
<tr>
<th>Time</th>
<th>Event</th>

- **Rx** – Pharmacology Content Expected
## CONFERENCE SCHEDULE - SATURDAY MAY 18, 2019

9:30 AM – 10:00 AM  **Fetal Surgery for Myelomeningocele: Ultimate Teamwork. GS**
Francois Luks, MD, PhD, Hasbro Children’s Hospital/Brown University, Providence, RI

10:00 AM – 10:15 AM  **Gastroschisis: Suture-Less Closure, A Case Study. PD**
Lauren Kanamori, MSN, CPNP, Children’s Hospital of Orange County, Orange, CA
Melisa Hill, MSN, CPNP, Dr. Saeed Awan, MD

10:15 AM – 10:45 AM  **Fetal Interventions: Implications for the Neonatal Surgical Patient. GS**
Tamara Meeker, MSN, CRNP, NNP-BC, Children’s Hospital of Philadelphia, Philadelphia, PA

11:00 AM – 11:30 AM  **Running on Empty: Addressing Compassion Fatigue and Healthcare Provider Burnout. GS**
Carmelle Romain, MD, The University of Chicago Medicine, Chicago, IL

11:30 AM – 12:00 PM  **A Retrospective Review of Surgical Outcomes in Patients that Underwent a Malone or Neo-Malone Appendicostomy. GS**
Tiffany Edmonds, BSN, RN, CPN, Children’s Hospital Colorado, Aurora, CO
Jennifer Hall, MSN, RN

### Packaging and Managing Your Professional Image - Round Table Presentations

Three professional sessions will be presented during the interactive Round Table Session:
- Professional Speaking
- Professional Presentations
- Professional Writing

*Conference attendees will attend ONE Roundtable. There is limited capacity for each roundtable session.*

#### Presenting Nationally
Lead: Raquel Pasarón, DNP, APRN, FNP-BC, Nicklaus Children’s Hospital, Miami, FL
Sara Donnelly, DNP, CPNP
Carmen R. Duque, MSN, PNP-BC
Hillary Lorenco, MSN, CPNP

#### Public Speaking
Lead: Frances Gill-Appiott, MSN, RN, CPNP AC/PC, Lee Memorial Healthcare System, Ft. Myers, FL
Jeannette Zerpa, MSN, APRN, PPCNP-BC
Liz Hood, MSN, MBA, CPNP
Lynne Farber, MSN, RN, CPNP

#### Professional Writing
Lead: Kimberly McIlrout, DNP, CPNP, CWOCN, Editor in Chief – Journal of Pediatric Surgical Nursing (JPSN), Johns Hopkins University, Baltimore, MD
The Publishing Process – Kimberly McIlrout, DNP, CPNP, CWOCN
How to be a Reviewer and give Peer Feedback – Beth Wallace, RN, MS, CPNP PC/AC
Overcoming Barriers to Publishing – Nancy Tkacz Browne, MS, PNP-BC, CBN
How to Write a Professional Biography and Abstract – Jenny Kreiss, RN, MSN, PNP, BC
Ethics and Publishing – Carmel A. McComiskey, DNP, PNP-BC, CPNP-A

KATIE ERDLITZ, DNP, CRNP, CPNP-PC, PMHS

has over 12 years of experience with pediatric patients. She currently works as a full-time pediatric nurse practitioner in a private, primary care clinic in southern Alabama. She also serves as adjunct faculty at the University of South Alabama. Dr. Erdlitz has background in adolescent health, maternal postpartum depression, pediatric mental health, and transgender medicine. Her research interests include post-partum depression, LGBTQ health, childhood obesity and adolescent mental health. Her honors and awards include Association of Camp Nurses Writing Award January 2015; Nurse Corps Faculty Loan Repayment recipient, 2016-2018; Macy Faculty Scholar-Nominated by Dr. Debra Davis, Dean, College of Nursing (not awarded), 2017 and NAPNAP Advocacy Scholar Award recipient, 2018. Dr. Erdlitz has also published numerous articles in her area of expertise.

SHAWN FRAPP, MSN, RN, CCRN

is well-versed in perioperative care and has served as a peri-operative and critical care nurse for 13 years. In addition to this practice, the doctoral work focuses on risk reduction among young LGBT individuals and the influence of social media. Shawn Frapp has presented regionally and nationally on issues of sexual and reproductive health. Published abstract: (2018, March). Use of Geo-Social Media and Incidence of Sexually Transmitted Infection among Men that have Sex with Men (MSM): A Review. Nursing Research 67(2) pp. E147-E147

FRANCOIS LUKS, MD, PHD

Pediatric Surgeon-in-Chief, Hasbro Children’s Hospital Director, Fetal Treatment Program of New England Past-President and President-at-Large, International Fetal Medicine and Surgery Society (IFMSS). Dr. Luks has taken on progressively senior management roles at Hasbro, serving as director for trauma in the PICU for 15 years from 1995 to 2010, then subsequently director of trauma for the whole of Hasbro Children’s Hospital. He has served on and led more than a dozen standing and ad hoc committees at the hospital, from those in his specialty like the Pediatric Trauma Patient Care Committee, which he chaired, to those addressing issues in the broader hospital community, such as the Rhode Island Hospital Strategic Planning Committee. He has also continued to serve concurrently as attending surgeon at Women & Infants, and for several years each as attending surgeon at Morton Hospital (Taunton, MA) and New England Medical Center (Boston, MA). His research interests include fetal development and fetal surgery, and in particular the etiology of twin-to-twin transfusion syndrome. He was the site principal investigator for the first randomized study on endoscopic fetal surgery for this syndrome; the Brown Fetal Treatment Program was the only North American center participating in the study. The program is a founding member of the North American Fetal Treatment Network (NAFTNet); Dr. Luks has been a member of its Executive Committee since 2007. Dr. Luks has published and presented widely, with more than 120 peer-reviewed publications and book chapters and more than 100 abstracts. He has served The Warren Alpert Medical School of Brown University for his entire 22 years in Providence, currently as director of the Program in Fetal Medicine, and professor of surgery, pediatrics and obstetrics & gynecology. Throughout the course of his time at Brown he has served as independent course director, faculty sponsor and thesis director to numerous promising medical students.

CARMELLE ROMAIN, MD

is an accomplished pediatric surgeon who provides care to children of all ages who suffer from a wide spectrum of conditions. Her expertise encompasses the treatment of childhood cancers, congenital malformations, neonatal disease, aerodigestive disorders, inflammatory bowel disease, pediatric colorectal disease and thoracic lung abnormalities. In addition to delivering comprehensive pediatric care, her training has included extensive experience in minimally invasive thoracic and abdominal surgery. These techniques will help her patients recover faster, experience less pain and have better cosmetic results after their operations. Dr. Romain is passionate about optimizing resources to improve the quality of surgical care for all pediatric patients. With the help of a multidisciplinary team, she aims to provide compassionate, family-centered care using evidence-based treatments.

*Conference evaluations will be available for completion online until June 30, 2019.*

- **APSNA SIGs** allow members to share common interests in an organized, formal manner. Special Interest Group meetings will be meeting on two separate occasions.
  - Chest Wall Deformity
  - Trauma
  - Pediatric Obesity
  - Global Health
  - Bowel Management
  - Surgical Verification
  - **SIG Meetings: Saturday May 18, 2019**
    4:30 PM – 5:30 PM

I will work with my staff in finding joy in the workplace.
When you visit Boston, Massachusetts, you will find yourself in the capital of Massachusetts and one of the oldest cities in the United States. Boston played a key role in the American Revolution and this is highlighted on the Freedom Trail, a 2.5-mile walking route of historic sites that tells the story of the nation’s founding. From the cobblestones of Beacon Hill to the iconic grounds of Harvard University and the many landmarks, Boston is a treasure. You can choose to stroll and explore the diverse neighborhoods, shop in the chic boutiques or attend some of the special events; there is truly something for everyone in this area. For more information on what to do in Boston, MA visit the APSNA 2019 Conference page.

NOTE: Registration for the American Pediatric Surgical Association (APSA) Conference is a separate subscription/registration and is not included with APSNA Conference Registration.

CANCELLATION POLICY (view our policy here)
All cancellations, with request for refund, must be received in writing and must be postmarked or electronically submitted to the APSNA Treasurer (treasurer@apsna.org) 30 days prior to conference. A $50 USD administrative fee will be assessed for those cancellations. No routine refunds will be made following that date.

PAYMENT OPTIONS:
- Credit Card: Full, secure online payment with credit card using the APSNA website form.
- There will be no on-site registration.

PHOTOGRAH RELEASE STATEMENT (view our statement here)
APSNA will take many digital photographs at numerous events throughout the conference. The photographs may be used for our newsletters, publications, media releases, brochures and our website. We do not intend to use these photographs in any manner other than for the purposes stated above. By registering for the conference, you grant permission for APSNA to use your photograph in this manner. Please contact us at info@apsna.org if you have any questions.

SPECIAL NEEDS
If any special disability/dietary arrangements are needed, please contact us at Toll Free: 1+ 855.984.1609.

ATTIRE AND WEATHER
Business professional attire is recommended for all Educational Conference events.

Founders Award Ceremony and Reception Event will be a smart casual event and will be held in 3rd Floor Atrium.

In most years, Boston averages a daily maximum temperature for May that’s between 63 and 69 degrees Fahrenheit (17 to 21 degrees Celsius). The minimum temperature usually falls between 48 and 52 °F (9 to 11 °C). The days at Boston warm quickly during May. By the end of the month, the temperature has climbed over 9 °F (5 °C) above what it was at the start.
