Student Membership

APSNA Student Membership Available

APSNA has approved a student membership option. Nursing students pursuing a primary nursing degree qualify to register. Student memberships require proof of student status for a reduced rate of $80 per year. Verification of student status will be required before an application is considered complete. Student memberships are time-limited. After completion of the primary nursing degree, registered nurses may join APSNA as an Active member. Student members have all the rights and privileges of membership except the right to vote or hold office.
