

## LAMPLighter Criteria & Details

The Institute for Leadership in Physical Therapy

Created 2-9-11

### **Award Purpose:**

The purpose of the LAMPLighter Award is to recognize those who have affected significant change through formal or informal leadership.

The recipient will exemplify the spirit of leadership within the profession of physical therapy through, but not limited to, the following:

- Applying personal leadership skills in formal or informal leadership roles
- Changing culture, transforming organizations, and/or sparking innovation
- Implementing methods to keep the spirit of leadership alive throughout the profession

### **Measurement Criteria:**

The following criteria will serve as a measurement rubric for assessing the merits of submitted nominations:

- Clear explanation of leadership initiative(s) [30%]
- Creativity/innovation with leadership efforts [30%]
- Magnitude of change occurring due to the nominee's leadership [20%]
- Weight of letters of support from constituents involved in the nominee's leadership initiative [20%]

### **Award Criteria:**

- Nominations may be submitted from individual HPA members and all APTA Chapters or Sections.
- Nominees are not required to be HPA Section members
- Nominations must be substantiated by written information including the application form on HPA's website, and at least two letters of reference attesting to the nominee's leadership.
- Current members of the HPA Section Board of Directors are not eligible for this award.

Timeline: Nominations due Nov. 15. Award presented at CSM.
