Owin Orr

**Biography**

Owin Orr graduated summa cum laude from the University of Denver (DU) Daniels College of Business in June 2019 with a double major in Real Estate and Finance. In his three years at DU, he was elected the Daniels College of Business senator on student government, studied abroad in Thailand, coordinated professional activities for the Delta Sigma Pi business fraternity, and served in DU mentorship programs.

Owin enjoys building teams and participated in 14 student case competitions, including twice in the NAIOP Rocky Mountain Real Estate Challenge. He graduated with “Distinction” in real estate and received the department’s top award, as well as the highest scholarship ranking in the 2018-2019 Daniels class. He had five different internships in various real estate and construction positions throughout high school and college.

Owin is currently completing his first year as a Commercial Real Estate Credit Analyst at U.S. Bank in Denver, CO. He intends to continue learning ambitiously and building robust relationships in pursuit of a career in real estate investment.
